The 1996 Annual Minutes are Dedicated in memory of REV. WADE RUFF

Wade Ruff was born on December 21, 1917 in Rutherford County. He was the son of the late W. Belvin and Maggie Moore Ruff. He married Carrie Peeler and they had six children; Steve, Jerry, Jennifer, Tim, Brenda and Phil. He graduated from Gardner-Webb University and was a member of the first graduating class of Fruitland Bible Institute. He pastored for over 56 years in Rutherford and McDowell Counties, the majority of that time at Second Baptist in Rutherfordton. The following was recorded by his grandson, Doug Ruff, on Father's Day 1995:

"I'm never very comfortable talking about myself. There's nothing to boast or brag about but I'm simply relating some of my experiences and some of the lessons they have taught me that have lasted through the years and are valuable to me.

"I was converted on October 18, 1936 in the Old Green Street Baptist Church, Rev. H.L. Phillips was the preacher, I remember my mother saying 'Son go up there and give your heart to Jesus', and I did that and I've never regretted it.

"Early in my ministry I was having a difficult time financially, trying to go to school five days a week, raise four small children and work in a grocery store on Saturday, as well as preach at small churches on Sunday. The income was not enough to meet my obligations, making it very difficult. I remember one particular Monday morning I was supposed to leave for school at noon, and come back the next Friday. I didn't have the money to pay my tuition and board, and there was barely enough food in the house for Carrie and the children for that week. I had been thinking for some time how I had let my family down. I was not providing for them as I wanted to. I thought seriously about the situation and decided the best thing for me to do was to quit school and get a job, maybe two jobs so I could support my family and take care of them, at the same time I could still serve the Lord by working in my local church. So I decided that Monday morning I would go 'pull' a field of corn. It was fall of the year and I had a job gathering a field of corn for a man. So that morning I went down to pull corn. As I did I tried to explain to God why I was doing what I was doing. I wanted to serve Him but at the same time I had to take care of my family. The scripture kept coming to me where Jesus taught us to love Him and put Him before wife, children, brother, sister, so I kept trying to explain to God my position. The more I tried to explain the faster I pulled corn. I was crying and trying to explain to God and lost all track of time. Finally at last I found myself down in a corn pile, there on my knees crying and praying and telling God what I was doing but God wouldn't agree with me. I resented that. This went on until lunch time. I went back to the house and told Carrie of my decision - even though God didn't agree - I was not going back to school. I'm going to get me a job and take care of my family and serve God in my local church. I think God put Carrie up to this when she said, 'God called you to preach and He called you to prepare, so the thing for you to do is to go back to school.' God wasn't going to let me off so I went back to school. The word of God says to put God before even our family and to seek first His kingdom and His righteousness. So I went back to school that afternoon. I rode with four of my classmates without telling them about my situation. When we were in line to pay our tuition and board, I didn't have any money, so when it was my turn to pay, I was going to try and explain that I would pay it later. I don't know how he knew but while we were in line a classmate of mine turned around and said, 'Yours is taken care of, you can pay me later.' Now, how he knew I needed that I don't know. This experience sticks in my mind and I'm glad with Carrie's and God's help that I made the decision because it changed my life.

Another lesson I learned before I became a preacher, was on tithing. I was a tither and had been since I professed faith in Christ. The mill I worked at, Cleghorn Mill, was not running well, in fact, they told us if we could find another job to take it because they may never open again. We had two small children at the time, so I got a job cutting wood for a man who also owned a grocery store. I owed the man a grocery bill and also cut wood for him, times got so hard he had to stop all credit. As I worked for this man, he would not pay me in money but credit for the grocery bill I owed him. The first week I worked cutting wood I also received a check from the Mill for the past week. This was not a full weeks pay ($12.00), this was just for part of a week. I lived in a company house, so by the time they took out rent and taxes I didn't have much left. When

I figured my tithe from the money earned from the wood I cut (even though I didn't get any money) and the gross amount of my check, I only had 26 cents left for the week. Here was my family, I'm responsible for, they need food, they need things. I was confronted again. Should I take this tithe and apply it to my family needs or should I do as the Bible says and take it to God's storehouse. I came to the decision to tithe, God called me to tithe and He comes first. I put aside the money for the tithe and with the 26 cents left I bought ten pounds of corn meal for a quarter and bought two suckers for a penny, one for Steve and one for Jerry. That night Carrie cooked a cake of cornbread and we sat down at the little table and ate cornbread and drank water. That cornbread tasted better than a lot of fine foods I've eaten. It was not a self righteous feeling but it was the realization that I was doing what God taught me in His word. The next Sunday, as I brought the tithe to church, the Lord gave me a special blessing. Its not that I was doing anything special, I was just doing what He said to do instead of what I really wanted to do. I wasn't being selfish in that respect. I learned to trust in the Lord, to put God first and do my best.

"I remember when Ginger was a baby, we were living in a company house. It was fall of the year and the weather was getting cold. We only had one bed and Carrie, Jerry and Ginger slept in the bed, and Steve and I slept on a pallet on the floor. We didn't think much about it, it was an adventure for Steve, he liked camping out. But it began to get cold and that floor began to get pretty hard and cold. So one night we had our family altar, we gathered the family around and we prayed together. That night I realized 'ol' Steve was getting pretty cold. So I just told the Lord in my prayer, 'Lord I believe we need another bed, and if we do I'm going to trust in You to provide it.' The next day when I came home from work there on the front porch was a bed and a mattress. Carrie said to me, 'The neighbor across the street (he was a loom fixer and made good money) had brought the bed down and asked if we could store it.' The neighbor had bought a new bedroom suite and didn't have room for it, he said we could use it if we wanted to, so that night Steve and I slept on a real bed.

God will do exceeding abundantly above what we ask of Him when we realize all of God's tithes are in the storehouse and are trying to put God first in our lives. Sometimes those times get rough, sometimes you doubt, or at least I did, sometimes I had a terrible struggle - but in spite of it all I just trusted in the Lord in these things and God fulfilled the expectations of mine in a marvelous way. I didn't try to tell Him how to do it, I just asked Him to do it if He thought it was the thing to do.

"Something I looked forward to was our State Evangelistic Conference which was held every February and ran from Monday through Wednesday. The leading evangelists from across the state and from other states would come and preach. One year I just didn't have the money to rent a room, I didn't have the money to go, but I really wanted to go, I had just enough money for gasoline with a little left over. It was February and there was snow on the ground and it was cold. We met at the First Baptist Church in Greensboro, so I went to the Conference and lived on hamburgers that week. I took an old army blanket with me and every night I'd park the car as close to the church as I could. After everyone else was gone I'd crawl in the back seat of the car and wrap up in the blanket and sleep there. Next morning, early, when the janitor got there I'd go in

the church and warm up and shave and clean up the best I could. I'd stay in the church all day and for the services that night then go sleep in the car that night. That to me was not a sacrifice. I was privileged to go and hear these great men of God preach the word. God had called me to preach the word and I had a hunger to know what it taught and a desire to preach it for His glory. I feel like this was a good experience for me. I didn't feel like sleeping in a car with snow on the ground and the temperature about fifteen degrees was a sacrifice, I felt it was a privilege for me.

"We all get nervous when we get up to speak, I always have to a certain degree. The most nerve racking experience I ever had - and there again it was good for me and that's why I'm telling these things, yet when they happen they're not so pleasant but as time goes on we see they were a blessing to us. It was the spring revival at Gardner Webb College. They held the services at the First Baptist Church of Boiling Springs each night. A professor of religion, Mr. Lawson Allen came to see me and said 'We are only going to have one morning service, it's going to be in the Chapel at school. We're going to have the whole student body, the President, all the professors, everyone connected with the college will be there in addition to the leaders of the church and community.' I was just in my twenty's and just getting started, I was really shaken; I'd never experienced anything like that. So I concentrated and spent much time praying and studying and thinking over that sermon. I remember that sometimes we feel like we can't do a thing, we're scared to death, but once we get in it's different. I remember that morning we sang, the president of the college and others had done their thing then I got up there. I knew there were PHD's out there, all those professors, and all the outstanding people, and those honor students. I got up there and didn't exactly close my eyes but I just tried to blank out everything except that God had given me this opportunity and I must make the best of it. I got up and started, I didn't run out of anything to say, in fact, I had more to say than time to say it. I remember the Lord just somehow took over and when the invitation was given what a blessing to see all those students coming down that isle weeping, accepting Christ as their Savior. That was an experience I'll always treasure. I could have said no to that opportunity and I was tempted to say no but I thank the Lord many times that I didn't say no and that I took advantage of that opportunity and it paid off.

"Three years after my conversion, God called me to preach. One Sunday afternoon in the Rutherford County Home, a prayer group from our church went for a service. Once a month on Sunday afternoon we had a service for the people, people who some said couldn't care for themselves. This particular Sunday afternoon the man in charge of the service came to me and said 'Preacher Brown hasn't shown up yet and I don't believe he's coming. How about you looking up some scripture.' But then at the last minute Preacher Brown did show up, so I didn't have to preach. While I sat there and listened to Preacher Brown, you know how the Bible tells us about the Shechinah glory, that golden haze that filled the tabernacle, the presence of God. God seemed to overshadow me there, that afternoon at the County Home and God told me - I've never doubted for one minute - God called me to preach. This experience will stay with me the rest of my life, it's as real now as it was in 1939. God overshadowed me and let me know He wanted me to preach His word. I went home and told Carrie, and ask

her if God called her to preach what would she do? She said 'I'd preach.' I told her about my experience and went to church that night and told the people. Thereafter I had the opportunity to preach on Wednesday nights. After a while it gets old not having your own place to preach so Frank Early and I started to preach on street corners, trade lots, 'bone yards'. We preached in Marion, I'd preach as many as five times a day. On Saturday we would get off our jobs at the mill. Frank had a Model A Ford and I bought a loud speaker on the installment plan. We would put that loud speaker on that A Model and preach in Marion, Greasey Corner, Spruce Pine, Bakersville, and a place over in the mountains called Hawk. At Hawk they had a barber shop, except they didn't have a building. The barber shop was under a big tree. People would gather under that tree and we would preach, we had some marvelous services that way.

"So the Lord has been good to us. He's blessed us in so many ways. He's given us strength, He's given us health, He's taken care of us - I've seen the time when it looked real shaky about something to eat, something to wear, but God has always provided. That reminds me God is true to His word when He says 'Seek ye first His kingdom and His righteousness and all these things shall be added to you.' "

REPORTS

VACATION BIBLE SCHOOL

The summer is past! We have had our Vacation Bible Schools! Now is the time to take a look at what we did. There was Bible teaching, mission study, craft activities, and we might say a good time was had by all.

We received reports from twenty-seven of our thirty-four churches (two of which were not able to have a Bible School). The conbined enrollment of these churches was 2,552 with an average attendance of 2,026. There were twenty decisions for Christ.

Congratulations to all the churches for your great work in Vacation Bible School. It is my prayer that you will be able to keep these people in your churches through Sunday School.

Thank you for the opportunity to serve,
Yvette M. Poston, Director

PASTORAL MINISTRIES COUNCIL

The Pastoral Ministries Council continues to assist the church in fulfilling their mission by equipping and enabling pastors, church staff, deacons, and church councils in developing more effective programs.

In the past year, we have held a deacon spouse banquet at First Baptist Church of Spindale on April 19. About 140 persons attended. A survey was taken at that time to determine the needs for deacon training. From this survey, we have planned a conference on October 24 at First Baptist Church of Rutherfordton with 5 topics from which to choose in two 50 minute sessions. These topics are: Conducting as Deacons Meeting Moderating a Church Conference, New Deacon Training, Deacon Spouse Teamwork in Ministry, The Deacon Family Ministry Plan, and Confronting Conflicts in the Church.

Secretaries from the churches of the association meet quarterly for lunch and fellowship. In Sept., the secretaries went together to the Biltmore House in Asheville for a tour and lunch.

We co-sponsored with the Vol. Chaplains Coordinating Council of Rfd. Hospital, a seminar for area ministers by Rev. Tom O'Neal of Charlotte Bapt. Counseling Cntr. on "Family Systems and Illness" on Sept. 19.

Our plans are to continue to offer equipping opportunities for ministers, deacons and secretaries. We will be looking more closely at needs for church councils and administration in the coming year.

Respectfully,
H. Michael Johnson, Director
Roger McCluney, Jeff Parker
Judy Rhodes, Carol Jones

MISSIONS DEVELOPMENT COUNCIL

The Missions Development Council continues to explore ways in which our association and our individual churches can become involved in missions ministries in our area.

During the past year your council met with the Rev. Joe Babb, a consultant in Church Missions Development from our Baptist State Convention, who presented ways in which he could be of assistance in the formation of an associational or church missions development council. Suggested positions included: Survey Director, Promotion Director, and representatives from the WMU, Resort Area Missions, and Literacy Training. The Associational Missions Development Council could serve as a model to provide direction for the organization of Church Missions Development Councils.

Immediate associational missions needs to which Mr. Babb is prepared to offer input are a Spanish language and a multi-housing ministry. A Spanish language ministry might include: use of the medical dental van, health kits, temporary Bible study or worship, Spanish language Bibles and tracts, a Christian fiesta with worship, fellowship and a meal. Mr. Babb also ad-

vised us that establishing a Spanish mission or church is best done by a strong church with a doctrinally sound, strong Hispanic leader.

WOMAN'S MISSIONARY UNION

One year ago WMU implemented exciting, and much needed changes in terminology, curriculum, and structure. The terms are different, the books have more information but are easier to use, the structure allows flexibility and creativity. These changes were unsettling at first but have proven to be helpful and more relevant to today's woman. Green River WMU made the transition from the old to the new with grace and style.

The option of coed missions have allowed couples, who are regularly separated by work and other responsibilities, to come together for missions education and involvement. Churches with small groups of children and youth and limited leaders are also finding coed missions to meet their needs.

Much has changed but the purpose remains the same: ***to call the churches to be on mission for God.***

Associational WMU has fulfilled its tasks this year by nurturing a missions environment, involving churches in missions, beginning and strengthening WMU in the churches.

September 18, church WMU leaders and pastors met at FBC, Rutherfordton for specialized training.

November 6, 1995, the churches came together for the World Day of Prayer. A morning service was held at First Baptist, Forest City, and an evening service at Montford Cove.

December offered two opportunities to minister. Seventeen churches prepared Christmas gift bags for spouses of the Fruitland students. Money was donated to provide Christmas gifts for inmates of the Women's Correctional Center in Raleigh.

January 4, the Associational WMU Team introduced the National WMU Ministry Project, HELP: AIDS. The response was tremendous and many were blessed by the project.

February 10, Women on Mission celebrated Home Missions at Spencer. Conferences, offering creative ways to teach Home Missions, were held for each age level. Mildred McWhorter shared highlights of her mission work in Texas.

February 17, Nell Bovender instructed the Associational WMU Team on writing tips to improve the WMU Newsletter.

May 9, West Point hosted the Volunteer Missions Fair Annual WMU Meeting. Twenty churches were represented with 160 attending. The sanctuary choir from First Baptist, Forest City, provided music and Dr. Tom

Jenkins, director of the Missions Division of the State Convention, led in worship.

WMU helps prepare the volunteer missionary for God's call. Mary Lois Geer, member of Mt. Vernon, traveled to Russia to distribute Bibles and minister to the people. The churches of Green River eagerly and generously supported her in her mission.

Cindy Worley, (Round Hill) and I traveled to Weslaco, Texas, to teach children of our Baptist missionaries from Mexico. Cindy experienced many "firsts" on the trip but grew in her understanding of answering God's call.

It's one year later and we have adjusted. We always do. Remember, there was a time when "Amazing Grace" was new.

Respectfully submitted,
Kathy Tuttle, WMU Director

DIRECTOR OF MISSIONS REPORT

In a variety of ways you have shown support for the mission and ministry of GRBA this year that has been both encouraging and a blessing. First, in response to the Christian Character Scholarship Committee's appeal, you had a part in granting three scholarships to high school seniors in June. What a wonderful means of saying to seniors that their Christian witness is being noticed.

Last fall Baptist Men of GRBA began seeking funds and tools for a Disaster Recovery Handyman Ministry Trailer. Contributions and tools came in at a gradual pace throughout the year and then in August a trailer was purchased and more tools and money were contributed. The first use of the trailer was to take 570 gallons of water to Chimney Rock in early Sept. after the flood of Sept. 4. After that the trailer was taken to Goldsboro to help with recovery from Hurricane Fran. The possibilities for the trailer in ministry, mission and evangelism are countless.

Our Church Development Directors planned many training events as well as times of fellowship. It makes such a difference in our association to have capable leaders in these areas. I appreciate each of them.

Our Direction '93-'97 strategy plan has once again served as a guide for us this year. The first two items listed above were from it. Another item was the adding of a staff member. This was assigned to the Personnel Committee. As they did their task, it became clear to them that a larger item needed to be examined, namely, a thorough study of the association regarding our churches, our area of ministry and mission and our organization. A committee was approved at the September Executive Committee and they will be working during the coming year. Rev. Richard Spencer of Gastonia, retired DOM and consultant with Baptist Metrolina Ministries, will be consulting with this committee. Be praying for them.

Another way of support this year has been your cooperation in moving from the arrangement of an annual meeting and quarterly executive committee meetings to quarterly association meetings. It will be a joy to see each of you four times during the year for worship, business and fellow-

ship.

You concluded the year with a very gracious expression of appreciation for the 10 years we have shared together in mission and ministry in our area. I do thank you for that time of affirmation and support. As we continue to serve together in this year, may Christ be seen and honored in our service through the churches and the association.

Respectfully submitted,
Billy Honeycutt

RESORT AREA MISSIONS

The summer of 1996 saw the Resort Area Missions ministry being led by Natalie Norton of Chimney Rock Baptist Church and Wendy Craig of Green Hill Baptist Church. Services were held in three campgrounds that included worship services, day camps and a ministry in the Chimney Rock village. A couple of churches brought youth groups to help the girls in the ministry, which was greatly appreciated. Planning with the campground owners for the ministry next year has already begun. Be praying for this ministry for next year.

Respectfully submitted,
Billy Honeycutt

DISASTER RECOVERY / HANDYMAN MINISTRY TRAILER

At the beginning of the Associational year in October of 1995, Baptist Men of GRBA were beginning the process of securing monies and equipment for a trailer that can be used for Disaster Recovery Handyman Ministry. This began slowly, but by the middle of the summer of 1996 interest was continuing to grow. In August a trailer was secured and our Baptist Men were drawn into disaster recovery because of a flood in Chimney Rock and Hurricane Fran. What a blessing it has been to see the support and participation by so many in GRBA providing money, tools and time in getting this aspect of ministry in place. This idea came from our Direction '93-'97 strategy plan. Below is a listing of monetary and equipment donations as well as items still needed. Appreciation is expressed to all who have helped bring this project to reality and it is committed to God for His use in reaching people for salvation and ministering in times of need.

CHRISTIAN CHARACTER SCHOLARSHIP FUND

During the year, the Christian Character Scholarship Committee began its task of seeking funds for awarding scholarships to students that have demonstrated Christian Character throughout their high school years. The committee made an appeal to the people of our churches and below is the response. Deep appreciation is expressed to those who made a contribution. Three scholarships were given to Jenny Camp of West Point Baptist Church, Jennifer Ellenburg of Southern Baptist Church and Jeremiah McCluney of Spencer Baptist Church. The committee will begin their task again in early 1997 and any and all who would like to make a contribution can do so and any high school senior from our churches can request an application. It is the committee's decision as to how many and how much is awarded in scholarships. The committee looks forward to continued, growing support as a means of encouraging our young people. This project was from the Direction '93-'97 strategy plan.

APPRECIATION COMMITTEE

Glory be to God the Father and His Son Jesus Christ who is the Head of His Church, and to the Holy Spirit who guides our hearts and mind in all our endeavors.

We express appreciation to each and every church member in our assoc. You are the basis upon which our entire organization grows. We exist for you; and by your support we are able to execute our programs.

To every person who participated this past year in the roofing and repair projects sponsored by our association we express our appreciation. May God bless you for every load carried and every nail hammered.

We gratefully acknowledge our indebtedness to those persons who gave money and materials to enable our association to purchase and equip the Disaster Recovery Trailer for our Handy-man Ministry. Thanks to willing volunteers this has been used and will be used again and again as needed. This phase of our ministry depends on faithful volunteers willing to give of their time and effort to help others in need. You will find a detailed list of contributors in this Book of Reports.

Because of good cooperation we have been able to assist in some needed repairs for the Church of the Exceptional .

We salute and commend each person who gave willingly of his or her time and money to participate in overseas volunteer mission work. May God richly reward you for responding to His command, "Go ye". You are an inspiration to our association.

Our most heartfelt thanks and appreciation goes out to Billy Honeycutt, our leader who binds us with cords of love and leads us gently into areas of service.

Thanks to any and all who helped to make Billy's Ten Year Celebration a success. You counted it joy to show appreciation for service and leadership through ten successful years.

We extend our thanks and appreciation to all churches who willingly and graciously opened their doors for the many meetings held during the past year. Your warm hospitality was an aid for our organization to have pleasant meeting places. We specifically mention Mount Vernon and Mountain View who will each host two of our Quarterly meetings this year.

To all past, present and future office holders in the GRBA we are deeply appreciative of your willingness to give of your time and talents to be of service to us. This listing is too extensive to give in detail but we appreciate each one including our moderators, officers and committee members.

A special recognition goes to the Ch. Development Dirs. for their excellent leadership during the past year.

Mention must be made of our secretary, Teresa Sams, who serves day in and day out effectively and cheerfully. Have you ever seen her without her smile?

We appreciate the many opportunities that our organization has been enabled to extend a helping hand through your support in prayer and purse. The monetary contributions this year have exceeded past years. It does take money to keep our plans moving.

We again supported our Lake Lure Summer Resort Area Missions Ministry. Wendy Craig and Natalie Norton handled their assignment with enthusiasm and dedication.

The Association has been able to award three Christian Character Scholar-

ships to three high school students. We extend appreciation to those who made contributions to these scholarships. You will find a detailed list of contributors in the Book of Reports.

We commend individual churches for their various programs and projects in the field of missions. Many outreach programs - local, state and worldwide - are benefited by your extended concern.

To our guest speaker, Mrs. Martha Hicks, Retired Director of Church Development at Buncombe Baptist Resource Center in Asheville, N.C., we express an enthusiastic welcome for coming to challenge us in our own church development.

A special appreciation to Brenda Wellman from Boiling Springs for using her imaginative, creative powers to bring us an original and very inspiring climax to our program.

The Appreciation Committee makes a motion that the 1996 minutes be dedicated to Rev. Wade Ruff. Rev Ruff served the Second Baptist Church as pastor and interim pastor for nearly 40 years. His influence and Christian spirit made a positive impact on this community and in the association.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Primed for excitement after three hours waiting under a bright summer sky, hundreds of spectators craned their necks and peered toward downtown Asheville June 26 when Michael Owen jogged into view carrying the Olympic Torch on outstretched arm. Michael, one of 1,422 children Baptist Children's Homes served in 1995-96, lives at Broyhill Home in Clyde, one of 12 facilities BCH operates in North Carolina.

Smiling and waving to the crowds holding aloft tiny flags and cameras, Michael lifted the symbol of international unity and pointed to friends among those who lined the parade route.

The entire Broyhill Home campus showed up, cheering wildly. They ate picnics at the end of Michael's route, and swarmed him when he passed the flame to the next carrier - a bicycle rider.

It could have been a family reunion, or a school scene, or a re-creation for a movie on family support. But Michael, and most of his supporters, are children who have suffered unspeakable abuses at the hands of adults they trusted to care for them.

And the adults who waded into that mob scene of joy at the end of Michael's run are called of God to help young people like Michael and those who surrounded him deal with those issues, and to overcome them.

As a boy, Michael was so ashamed of his clothes he ran home from school, never stopping to make friends. Worse, he endured almost nightly beatings from his father. He was 11 years old before he realized other boys weren't beaten every night. Four years later he found the courage to tell his father he was leaving.

"Go ahead, call someone," he yelled. "Leave."

Michael left. After six months in emergency care at Mills Home in Thomasville, he established a more permanent residence at Broyhill Home. Slowly, quietly his emotions mounted within him until one night he erupted and spilled forth his story, the years of secrets and lies, to his child care worker,

Betty Porter. "She stayed up with me and we talked a long time," Michael said. That was his first lesson in trust and unconditional love.

"Broyhill has changed my life so much," Michael said. "For almost a year I didn't trust anybody, but finally I felt a calmness I know was the Lord. Here I found the Lord and now I try to live every day for Him."

Michael's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic as a boy who grew from a punching bag to a torch bearer.

But at four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

During the past year BCH received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving Offering. Total church gifts of almost $3 million comprised 26.2 percent of BCH operating revenue.

BCH is in the midst of a $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, more than $5.4 million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at (800) 476-3669. You can also ask for the latest video to tell you about your ministry to children and families through Baptist Children's Homes of North Carolina.

Although Michael carries many fond memories of Baptist Children's Homes with him as he heads for college this Fall, his earliest amazements were the secure sleep he got when he laid his head down, and of receiving his first pair of Nikes so he didn't have to be embarrassed by his appearance.

From head to toe BCH cares for children and families. Thank you for helping to Light Their Way.

President since 1983

THE BIBLICAL RECORDER

The headlines each day--Bosnia, Belfast, Saudi Arabia, taxes, school funding, presidential elections, etc.--often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing.

The Biblical Recorder attempts to tell the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 163 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth. We live in an electronic media age where many think they have the answers to the issues but they do not because they do not read, only look and listen!

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes de-

cisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs make CNS a greater value in 1996-97 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Making Life For Older Adults...THE BEST OF TIMES

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward the goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services Division. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Homes Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrue Young Solarium at the Rickman Nursing Center in Ahseville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court", will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial

Baptist, have formed a non-profit corporation to lead this project. A 27 acre site has been selected. Plans call for 105 Independent Living units, 20 beds in Assisted Living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who have through their churches supported the ministry during the past year. Through the cooperative program, the special February Offering, and other church gifts, the "Homes" received a total of $1,030,052 during the 12 month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults...The Best of Times!

BAPTIST COLLEGE/UNIVERSITY REPORT

Since 1834 North Carolina Baptist Colleges and Universities have been privileged to have many splendid presidents. The current presidents are listed on this page. They were elected to take the lead in dreaming, shaping and managing Baptist higher education in N.C.

Two colleges, Mars Hill and Chowan, have new presidents. Let us introduce them to you.

Dr. A. Max Lennon was named president of Mars Hill College, effective March 1. Both he and Mrs. Lennon (Ruth Ann) are graduates of Mars Hill. Dr. Lennon brings a rich background in business and higher education to his new task. After earning the B.S. and Ph.D. degrees at North Carolina State University, he served in the administration of Texas Tech University, the University of Missouri, Ohio State University and Clemson University, where he was the president. He comes to Mars Hill from the presidency of Eastern Foods, Inc. in Atlanta, Georgia. Dr. Lennon, an active Baptist churchman, has been a member of the National Fellowship of Baptist Men. In Atlanta they were members of the First Baptist Church in Peachtree City, where he taught Sunday School and was a member of the strategic planning committee. He is on the board of directors of numerous corporations and foundations, among them First Union Corporation and Duke Power. In accepting the presidency of Mars Hill he said, "This is a wonderful opportunity to provide leadership for this college and boldly proclaim our faith in Jesus Christ."

Dr. Stanley G. Lott moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice president for academic affairs for 15 years. Earlier he has been a faculty member at Tift College in Georgia. Dr. Lott earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia. An ordained Baptist minister, he has held two pastorates in Louisiana. Mercer University president Kirby Godsey said, "Stanley Lott is one of the finest educators and leaders in higher education today." Dr. and Mrs. Lott (Johnnye) were longtime, active members of Emmanuel Baptist Church, near Louisiana College.

Upon his election the new president said, "I look forward to joining hands with all who are part of Chowan College. I am also eager to join N.C. Baptists in their efforts to spread the gospel and to preserve historic Baptist principles."

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The Mission of the NCBF since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The NCBF is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1995, the Foundation held $55,608,452 under management. In 1995, $3,144,471 was distributed to Baptist work and $1,125,383 was distributed to individuals for a total distribution of $4,269,854.

The income distributions for the entire 76 year history of the NCBF totals: $9,673,682 income paid to individuals and $13,458,579 to Baptist Churches, institutions and mission causes for a grand historical total of $23,132,261.

HOSPITAL HIGHLIGHTS FOR 1996

DIVISION OF PASTORAL CARE...During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts. As of July 1, 1996, the counseling centers will be called CareNet, Inc., of the North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND...North Carolina joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINT OF EMPHASIS AND PROGRESS...*Financial Stewardship* - The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day.

Aegis - This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO PPO affiliated. "Aegis" means protection or sponsorship: Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

QualChoice of North Carolina - QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health care and patient physician choice.

Regional Integrated Information Network - RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

The J. Paul Sticht Center on Aging - The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A CLOSING WORD...Since its founding in 1992, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

Respectfully submitted,
Len B. Preslar, Jr.
President

The 1997 Annual Minutes are Dedicated in honor of

MR. AND MRS. DON PARKER

In the spring of 1997, Mr. and Mrs. Don Parker made an extremely generous and sacrificial gift to Green River Baptist Association in the form of a building and four acres of land on Darlington Road, north of Rutherfordton, off Highway 221. Mrs. Parker had operated a craft business in the building for a number of years. When she closed the business, she and Don began to pray about what to do with the property. They arrived at the decision to donate the property to the Association to be used for ministry purposes. Mr. and Mrs. Parker are active members of Round Hill Baptist Church. The Association dedicates the 1997 Minutes in honor of their generous gift and desire to see what God had blessed them with be used in His service.

***BUILDING AND GROUNDS COMMITTEE RECOMMENDATION ON PROPERTY ON 221 NORTH OFFERED TO ASSOCIATION BY DON AND CONNIE PARKER**

The Building and Grounds Committee was assigned the task of studying the offer made to the association by Don and Connie Parker of a piece of land and building on highway 221 north. The Parkers are members of Round Hill Baptist Church. The committee met on February 11 and March 18 to study this offer.

In the February 11 meeting, with Building & Grounds Committee members Roger Wilkerson, Steve Hill, Moderator James Daves, Vice-Moderator Eldon Humphries and attorney Vance Perry attending, Don shared his personal testimony and how he and his wife came to the decision of offering this property to the association. The sincerity and straightforwardness of his testimony conveyed the desire he has to offer this property for ministry purposes in the association. He indicated to the committee he is not interested in donating the property for a tax deduction. Don was very clear that the property be used for ministry purposes and/or if circumstances arose that selling the property became necessary, the revenue from selling the property be used for ministry purposes, not capital improvements. From this meeting, checking on insurance, doing an appraisal of the property, determining on-going costs and considering how to use the property were the assignments for the March 18 meeting.

In the March 18 meeting, a very thorough appraisal was presented that had been prepared by Mr. Al Mellnik of Mellnik Real Estate in Forest City. Copies of this appraisal were available for review. The property ws appraised at $35,500. Insurance was presented as follows: Replacement costs, contents and liability, $1,475; liability alone, $300-350. Taxes would be required to be paid for one year at a cost of $200. After this, the property would be tax exempt as long as it is used for ministry purposes. Ideas for ministry purposes included: Using the building for shelter for someone whose house is destroyed by fire; using the facilities for rest stop ministry at designated weekends throughout the year; possibly children's groups from churches could use it for outings. No matter which of these is implemented, some remodeling to the building will be necessary. For example, adding another restroom, though not difficult, would be necessary as well as a kitchen sink. On going costs would: power bill (there is a security light that would be good to maintain) $20-30 per month; with summer approaching, cutting grass.

To pay for the initial costs, the budget item "Building Fund" can be used to cover insurance, taxes, materials for adding the above mentioned items, legal fees, etc. The budget item "Utilities" can be used to cover the cost of the power bill. Mr. Vance Perry has agreed to prepare the deed and any other legal work needed to be done.

Appreciation Committee

Glory be to God the Father and His Son Jesus Christ who is the head of His church, and to the Holy Spirit who guides our hearts and minds in all our endeavors.

To each and every church member in our association we express our appreciation. By your support we are able to execute our programs. You are the basis of our entire organization.

Pastors, staff members, we thank you and to the many others who help our church family to grow and develop.

To those who participated in the roofing and repair projects sponsored by the association we express our appreciation. May God bless each of you in a special way.

Thanks to the volunteers, our Disaster Recovery Trailer for the Handy-Man Ministry has been used many times as needed and will be used many more for the Glory of God.

Billy Honeycutt is a very special person. He leads and guides us with love and dedication. Words cannot express our appreciation.

We extend our thanks and appreciation to all churches who willingly and graciously opened their doors for our many meetings during the past year. We specifically mention Mount Vernon and Mountain View who each hosted two of our quarterly meetings.

To Rev. James Daves, who completed his term as Moderator in April 1997 and to all past, and present office holders in the Green River Baptist Association, we deeply appreciate all you have done and will do. The list is too long to give in detail but we do appreciate each and every one.

We would be remiss if we did not mention Teresa Sams, who each day effectively and cheerfully takes care of our every need.

Cory Hall and Shelby Hardin did a "super job" at our Lake Lure Summer Resort Ministries. We appreciate their enthusiasm and dedication.

The association has been able to award two Christian Character Scholarships to three high school students. We extend our appreciation to those who made this possible with contributions.

We wish to express our appreciation to Yvette Poston for her many years as Associational Bible School Director. She is to be commended as she moves on to other areas of service.

Also, we wish to express our appreciation to Jerry Campbell for his many years as Associational Evangelism Director. His leadership is this area was marked with humility and a strong desire to see people come to Jesus as Savior.

Roger Moore and the volunteers from his church, Montford Cove, are to be commended for their many years of planning the three on three basketball tournament held each March. We thank you.

We wish to express our appreciation to the Associational Study Committee for the many hours spent searching for ways we can reach out to further the Kingdom of God through the Direction 2000 report.

We appreciate and commend individual churches for their various programs and projects in the mission field-outreach programs, local, state, worldwide.

We had two day camps and wish to express our appreciation to each and every one who participated in these camps.

- Day Camp, April 1, sponsored by the Women's Missionary Union and the Association Children's Council.
- C.O.P.S. Camp, August 9-13, at South Mountain Christian Camp.

Adaville Baptist Church hosted our joint worship service in August with Gold Hill Missionary Association. We thank you for having us. Many churches were represented.

We would like to express our appreciation to Don and Connie Parker, members of Round Hill Baptist Church, for the building and property given to the Association located on highway 221 north. We have great plans to use this facility for our Lord and Savior.

In recognition of this gift, the Appreciation Committee recommends the dedication of the 1997 minutes to Don and Connie Parker.

Director Of Missions

The Associational year began with the cover on the minutes *"Pour New Wine into New Wine Skins"* taking place among our churches. A new approach to our worship, fellowship, reports and business being conducting in Quarterly Associational Meetings began this year. The business of the Association that was usually done in a two day annual session has been spread out over four meetings as well as greater emphasis on missions. Thank you to messengers for their strong support of the Quarterly Meetings. Messengers will be asked in the January 1998 meeting to evaluate this approach and the Program Committee will make a recommendation from this in the April meeting concerning staying with this approach or developing another one.

In January at the recommendation of the Advisory Committee, the Association accepted under watchcare the Mountains Community Church. This evangelical church was begun in the Fairfield Mountains area by a group of Christians intent upon offering an evangelical witness in this area. They realized after some time the need for fellowship and support from fellow Christians. They approached the association about affiliating and was granted watchcare status. During the year they have purchased a piece of property on highway 64-74 A where their building is located. They have conducted weekly Bible studies and monthly fellowship meals. They have made financial contributions to the Cooperative Program through the Baptist State Convention. Their pastor was granted Church Growth Assistance by the Missions Division of the BSC. They are making contributions to the Association. The Director of Missions held an information session with the church about Baptist life and Baptist missions. The Advisory Committee will be bringing a recommendation to the January Quarterly Meeting concerning their watchcare status. Your continued prayers and support for this church are appreciated.

Still in this idea of *"Pouring New Wine into New Wine Skins"*, the association joined with the fourteen churches of the Gold Hill Missionary Baptist Association of the county in a service of worship and fellowship on August 24, 1997.

Adaville was a gracious host as some 450 people from the two associations heard outstanding music by the combined choir and two inspiring messages by Rev. Billy Vaughn and Rev. Johnny Watkins. This was an effective way to begin the WMU emphasis on Project Help: Cultural Diversity. This will be repeated in 1998.

And still on this track, the association approved a Hispanic Mission Steering Committee to be a joint committee with representatives of Sandy Run Baptist Association. The Committee has met three times and is conducting Bible studies in homes of Hispanics in the county with the goal of building a strong base of believers that can be organized into a church. Your prayers for this mission in our area are needed.

And yet another item was co-sponsorship of the summer camp in August with the C.O.P.S. organization. This organization is a bi-monthly meeting of law enforcement officers from throughout the county that meet for fellowship, a meal and prayer. Some of the officers raised the idea in March of the organization sponsoring a camp during the summer for children they encounter that need some encouragement, direction and an opportunity for just a few days to be a kid. I had the opportunity to work closely with the officers in planning the camp and by being camp pastor. The camp was held on August 9-13 at South Mountain Christian Camp in Bostic. Some 20 youths were present and it was truly one of the most significant missions opportunities I have been a part of as Director of Missions. It was also a fulfilling experience for the officers. Many of you made contributions to cover expenses and prayers for the camp. Thank you for this support.

During the year the association was approached by Mr. and Mrs. Don Parker, members of Round Hill Baptist church about contributing a piece of property to the association located on highway 221 north. The Building and Grounds committee handled this item and in April the Association accepted the property. The building on the property will be developed in two ways for ministry use. The upstairs area will be renovated to allow the association to sponsor a Rest Stop ministry on particular weekends throughout the year. The basement will be renovated into a two bedroom apartment that will be made available in the event of a family losing their home to fire, this can be a temporary shelter. Appreciation is expressed to Mr. Vance Perry for the legal work he contributed and Mr. Al Mellnik for the appraisal of the property he contributed. Mr. and Mrs. Parker have made a significant contribution to the association for ministry and I want to thank them and pray God's blessings be upon them.

"Direction 2000" will be the strategy plan for the next three years that you will be hearing much from. But before that, it is important to stop and recognize the contributions that the "Direction '93-'97" strategy plan made to the Association. Your spiritual insight and wisdom in adopting this report in 1993 has resulted in thirty-two of fifty-six objectives being reached with some of the others strong possibilities in the "Direction 2000" report. From "Direction '93-'97" has come the joint services and efforts with Gold Hill Missionary Baptist Association. Support for C.O.P.S. and the association leading out in establishing a chaplaincy ministry at Rutherford Hospital. Taking steps toward Hispanic Missions in our area and supporting The Grace of God Rescue Mission. Three on Three Basketball Tournament for R.A.'s and the Disaster Recovery/Handyman Ministry Trailer and participation in Disaster Recovery projects. Growth of our Literacy Missions and training in witnessing to non-Christian religions. A Music Council and training sessions for church accompanists. The Christian Character Scholarships, needed updates to the office building and encouraging churches to give at least four percent of undesignated offerings to the association are just some of the objectives accomplished because of "Direction '93-'97". To God be the Glory for all that has been realized through this strategy plan.

During the first six months there arose a financial strain for the Association and you responded by seeing to it that the last six months were strong in support. I appreciate your church's support as all churches of the Association contributed to the mission needs of the Association. Not many associations in our state that are comparable in size will have all their churches contribute. Thank you.

The radio program on WCAB at 7:45 am on Sunday continues to be an effective means of sharing the ways God is at work in the churches and in the Association. Thank you for listening and sharing information about your church.

Thank you for the opportunity you give me to serve you and with you in Associational Missions. As we move in to this new year, be anticipating more ways in which we will be *"Pouring New Wine into New Wineskins."*

Missions Development Council

The Missions Development Council has been studying the need of ministry with Hispanics for many months. You will recall from the January Quarterly meeting there was a strong emphasis on this need. The MDC has met twice during the months since January. Both times the Council met with representatives of the Sandy Run Baptist Association to address this issue, thinking that this needs to be a joint effort of the two associations. There was a great amount of information gathered concerning Hispanics in our county. The discussion moved in the direction of forming a joint Hispanic Ministry Steering Committee from the two associations to take the gathered information and develop this ministry. Thus, the Missions Development Council makes the following two motions at the April 1997 Quarterly Meeting that were adopted: One, "that the following description be adopted authorizing a Hispanic Ministry Steering Committee: The Hispanic Mission Steering Committee shall present to the Association a plan for ministry to our Hispanic population with the long term goal of establishing a Hispanic church(s). The committee will be composed of six members, three from each association." Two, "that the following people be elected from GRBA to serve on the Hispanic Ministry Steering Committee: Rev. Jim Colon, Adaville Baptist Church; Mrs. Marilynn Thompson, Sulphur Springs Baptist Church; Miss Pam Mungo, First Baptist Church, Rutherfordton."

On August 24, the Association sponsored a joint Worship Service with the Gold Hill Baptist Association at Adaville Baptist Church with over 435 people participating.

Vacation Bible School

Fall is here and it is time to look at the results of Vacation Bible School in our churches this past summer. According to the numbers, a lot of people heard about God's love in some way. We had a total enrollment of 2,634 people in our schools, with a total average attendance of 2,221. The total offering amount was $2,898.18. One of the most important totals is that during our Schools this past summer, 59 people came to know Jesus Christ as their Lord and Savior. This is truly what VBS is all about. I know these are not all of the totals since 26 of our churches sent

in their reports. So the number will be higher in all of these areas, which is something to give God glory for. Thank you to all of the churches and the people who went the "extra mile" to make VBS in the Green River Association a huge success. God bless you!

Association VBS Director

Discipleship Training

A disciple is an individual who believes in the doctrines of his teacher and follows that teacher. The follower realizes that he must spend time with the master to gain knowledge and understanding, and makes every attempt to emulate the master in his day to day life.

As Christians, we should all strive to be disciples of Christ in all areas of our lives. This is accomplished through prayer, Bible study, fellowship with other Christians, and through trying to behave in a manner that our Lord modeled for us.

The Association has Discipleship Training materials for use by churches or Christian groups. In addition, the Association can assist in helping churches develop their own Discipleship Training programs, as well as can offer references for materials that are available for special studies.

In February of 1997, Discipleship Training Directors and/or pastors from the churches of the Association were invited to a discussion of Discipleship Training at the associational office. Several quality ideas came from this meeting including the possibility of developing an associational emphasis on Baptist Doctrines, the development of curriculum packages for use in training that lasted five to six weeks, more actively publicizing to the member churches of the Association the materials that are available, the Association purchasing materials that would be loaned to churches rather than all churches having to buy certain costly materials that may prohibit some churches from using the materials otherwise, and the idea of trying to establish some programs for Discipleship Training that would be co-sponsored by more than one church and held as joint training for the participating churches and any others who would wish to come.

The Associational Bible Drill program continues to be part of the Discipleship Training emphasis, and our churches need to continue to encourage our young people to be active in this.

Let us remember that the ultimate proof of being a disciple is following the commands of our Lord and Master, not just occasionally, but in every aspect of our lives on a daily basis.

Woman's Missionary Union

"God is in His heaven. All is right with the world."

I heard this as a child and felt secure, confident that God was in control. As I grew older I became aware that all was not right with our world. Many people have not accepted Christ as Savior and live in confusion, fear and doubt. Others haven't even heard about our Savior. Woman's Missionary Union desires that every Christian believer understand and be radically involved in sharing the

Gospel message to the lost in our world.

Throughout the year, Green River WMU has communicated regularly with the churches, involved the churches in ministries and missions, strengthened existing WMU organizations, started new ones, and encouraged members to grow spiritually toward a missions lifestyle.

September: Fellowship hosted our Church WMU Leader Workshop. Kelley Bradley, member of Piney Knob WMU, attended and received a free trip to Missions Extravaganza at Ridgecrest.

October: Rosemary Smith (SOS director) and Barbara Leddy (Side By Side director) met with concerned WMU members, children's leaders, and pastors to discuss the National WMU Ministry Project: Child Advocacy. The ladies agreed to provide recipes for the SOS cookbook. Others volunteered to work with at-risk students.

WMU recognized volunteer missionaries from the Green River Association at the annual meeting. Brenda Wellman did a dramatic monologue of Lottie Moon.

November: The Baptist Women's World Day of Prayer was held at Mountain View (morning) and Piney Knob (evening). Members from Green River, Sandy Run, and Gold Hill were present. An offering was received for the women's work of the Baptist World Alliance.

Sandra Miller, State WMU Resource Team member, met with Acteen leaders to discuss coed missions for the youth.

December: Churches contributed deodorant to the Women's Correctional Center in Raleigh and made Christmas gift bags for the wives of Fruitland students.

The Associational Leadership Team met with Blue Ridge WMU for Christmas meal and fellowship.

February: WMU directors made finger puppets for the Rutherford Pediatric Office in Rutherfordton.

April: The WMU and Children's Council sponsored a Children's Day Camp during spring break.

Acteens made stuffed bears for local law enforcement officers to give to frightened children.

May: Donice Harrod, president of NC WMU, made us laugh and remember as we celebrated 100 years of Green River WMU. Churches displayed memorabilia of past missions work, and outstanding leaders were recognized and remembered.

July: Associational WMU leaders received specialized training at the State WMU conferences at Fruitland.

New starts are always nice to report. Mt. Vernon has begun Mission Friends. Pleasant Grove started Children in Action. Long Branch Road began Mission Friends and Girls in Action.

All is not right with the world, but many are working, praying, and giving so that others will know the One who can make it right.

Kathy Tuttle, WMU Director

Children's Council

On August 5, 1997, the Children's Council of the Green River Baptist Association held a pool party at Spindale Parks and Recreation. The children swam from 6:30 to 7:30 pm. After swimming, refreshments were served and entertainment was provided by Dale Swofford "Magic With A Message". He did a wonderful job dressed as a Hobo Clown performing magic tricks with a Gospel Message. There were around 65 to 75 people in attendance. A storm came through

before the event and this may have hindered some from attending. We had a good time of fellowship.

Regina Ruppe
Children's Council Director

Student Ministry Council

The council sponsored a banquet for high school seniors in March at First Baptist Church, Rutherfordton. Mr. Brian Burgess of Gardner-Webb University was guest speaker. The purpose of the banquet was to introduce campus ministries to the students as they planned for college and to challenge them in their continued spiritual growth during the college years. Sixteen seniors were present. This is expected to be an annual event of the Student Ministry Council.

Lori Frady
Student Ministries Director

Resort Area Missions

The Resort Area Missions for 1997 was led by Cory Hall and Shelley Hardin. Cory is a student at Mars Hill College and Shelley a student at Converse College. The summer began with them conducting services in three campgrounds, but in late June a fourth campground was added. An approach to the ministry that they used was to prepare children's packets that had a variety of items in them that would be instructional, entertaining and inspirational for children. They were distributed in the campgrounds as well as in Chimney Rock village on Sunday afternoon as they were stationed in front of a merchants store. Some 350-400 of these packets were given out during the summer.

Services were conducted in the campgrounds on Saturday evening and Sunday morning. Cory and Shelley spoke in churches of the Association on Wednesday evenings.

The ministry in Chimney Rock village on Sundays was an expansion of what has been done in years past. This aspect of the ministry seems to grow some each year.

The search for students for 1998 will begin in January of 1998. Students who have finished at least one year of college are encouraged to consider the ministry. Application forms can be secured from the office.

Thank you for your prayers, interest and financial support of this ministry. It allows us to be "active on mission in our setting" during the summer. You will find in this report a financial statement. Keep in mind that 10% of the North Carolina Missions Offering your church receives in September goes to this ministry. Thanks for that support.

Christian Character Scholarship Fund

Three students were granted scholarships in the summer of 1997 out of seven applications. These were Kate Schultz of West Point Baptist Church, Katherine Burch of Montford Cove Baptist Church and Nicole Wilson of Pleasant Hill Baptist Church. All of the applicants did an outstanding job of presenting their need. It wasn't an easy matter of making the selections. It is encouraging to see students making application for this scholarship because of the Christian Character that they are demonstrating in their personal lives. The Scholarship Committee is indeed grateful for all who made contributions to this project. These names are listed below. The goal of the committee is to have at least 100 people make a contribution of $25.00 once a year to this project. This is a one time scholarship given to recognize the Christian Character that students have exemplified during their high school years and to help them as they begin their college years. Your encouraging others in your church to make a contribution as well as your own will continue to offer this support.

INSTITUTIONAL REPORTS

Baptist Children's Homes of NC

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house.

She was angry, and Jason shouted, "Lordy, it's momma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back.

Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering.

Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to grandma's throat, shouting that she would kill her if Jason didn't come out of hiding.

Just then Jason's aunt arrived from a house next door, and held his mother's arms until the police arrived.

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at The Citadel.

At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice president for his senior class, Cadet Colonel and ROTC commander in a group of 115 cadets, in National Honor Society, in the top 10 percent of his class, attended leadership events at Western Carolina University and Washington, D.C., and was a peer helper and peer counselor.

At The Citadel he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, then to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandma's house.

"All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home, where he received top honors for the second year.

"Broyhill has made me into a young man with a future, who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that."

As for grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic but every one tells of a young

person and a family at the end of an unraveling rope, and of BCH tying a knot in that rope and helping them to hold on.

At four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received $1.5 million through the Cooperative Program, and $724,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of $750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families."

Wherever children are hurting and families are strained, BCH strives to heal.

Meeting the Challenges of Health Care

HOSPITAL HIGHLIGHTS

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

BAPTIST BENEVOLENT CARE FUND

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to $456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over $200,000 was used to assist members of our Baptist Churches. May God bless all those who gave so generously.

DIVISION OF PASTORAL CARE

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contacts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Program helps in leadership development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

POINTS OF EMPHASIS AND PROGRESS

J. PAUL STICHT CENTER

In, April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the-arts building. Here services are provided to older adults. These services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disease and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors — the first in the state — which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

COMPREHAB

On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy

Center, Spine Center, and the Neurorehabilitation Center.

TRAUMA CENTER

The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

The Biblical Recorder

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored is we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an "information glut."

An informed Baptist is a better Baptist; no democracy, including our local churches can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

History of the Churches In
The Green River Baptist Association
October 1, 1996 - September 30, 1997

God is continually blessing in the Green River Association with each church and as an association of thirty-five churches. Doors continue to open up new ministries to which we latch on to through love, commitment and dedication on the part of all members. This annual report shows how God has blessed our efforts. Let us continue to be willing to follow His leading.

Adaville: The church voted on and approved purpose and vision statements for Adaville Baptist Church, and they are as follows: The purpose of Adaville Baptist Church is to bring people to Christ, to develop them to Christ-like maturity, and equip them to carry out their ministry to the glory of God. The vision of Adaville Baptist Church is to: (1) Reach children, youth, and young adults through friendship ministries, and (2) disciple believers toward spiritual maturity, equipping them to carry out their ministry at home and around the world.

The church also adopted a motion from the Vision 2000 Committee on using "Purpose Teams" to address, plan, and promote more involvement in the five functions of the church as found in the New Testament. The five functions are: missions, ministry, worship, discipleship, fellowship.

Several people were involved in short term missions this past year. Dean Perry and Jon Ward went to South Africa. Don Simpson went on a builders team to the Ukraine. Hugo and Evelynn Lehmann served in St. Lucia for two months. The Youth Choir went on a missions trip to Myrtle Beach, and worked in resort ministries.

The church hosted a series of services by Tom Northen, Director of International Missionary Fellowship, Inc. This missions ministry involves providing medical care for the people of Haiti.

In Vacation Bible School, the church did an out-of-doors teaching event called "29 A.D." and there were over 300 people involved. Jan Kuhn was the director.

The church called Reverend Ray Hooper as Minister of Visitation.

The church provided space for teaching "English as a Second Language" classes. Jim Colon is the director, and over 30 Hispanic students participated.

The church hosted the ICC Nurse's Graduation on August 31, 1997.

The church hosts the monthly meeting of "The Autistic Society of Rutherford County".

The church hosted a joint meeting of the Gold Hill Baptist Association and the Green River Baptist Association on August 24 with over 435 people participating.

A new Pictorial Directory was produced.

The church observed Baptist Men's Day, January 26, Baptist Women's Day, February 23, and Youth Day, April 27.

Bill's Creek: In January 1997, Rev. Frank Deese was called as interim pastor. Later in the year Rev. Deese resigned due to health problems. Rev. Claude McIntosh was called as pastor, beginning his ministry with the church on September 28. Rev. Robert Toney had served as interim pastor after Rev. Deese.

Calvary: In December 1996, Rev. Robbie Moore, who came to Calvary in May 1990, accepted the pastorate work at Centerview Baptist Church in Belmont, NC. Rev. Johnny Norman served as interim from February to August of 1997. The church at this reporting has not called an interim nor a pastor.

Camp Creek: Copier machine was donated to the church by Mr. and Mrs. Oliver Clements.

Ray Garrett, a member, died May 31, 1997. Mary Griffin, a member, died August 10, 1997.

Forest City First: This has been a very important year at First Baptist Church of Forest City. We have had many special services, events and beginnings that make 1997 special.

Several events stand out this year. The highlights include Vacation Bible School; Circle of Friends Ranch in June; the Youth Mission Trip to New Jersey in July; the Choir Festivals at Wingate and Caswell attended by our Children/Youth Choirs and Handbells; and several major decisions made by our congregation.

One very important group in our church is our LLL club. This is our Senior Adult Club (Living Longer and Loving It). They meet once a month and have more than 80 active members. Each month they host a special program that proves to be inspirational and entertaining. They also have a covered dish that is exceptional. Although LLL meets at FBC-FC, any senior who wishes may join.

Our WMU and missions have been busy this year. They have made donations of food and fuel to Yokefellow, Noah's House, Christmas Cheer Center, PATH, Camp Harmony, The Homeless Shelter for Women, SOS, the Women's Prison in Raleigh and the Health Department. Our Children's missions have made shoe boxes of Christmas presents for Bosnia and helped a missionary take back goodies for the children in her village.

In September 1997, we reached our monetary goal of $30,000 to build a house with Habitat for Humanity. We are currently looking for a qualified applicant and hope to finish this project soon.

On November 16, we will begin our revival. Our guest pastor this year is Rev. Nancy Sehested. On November 30, we will host the joint Christmas concert including FBC-FC, First Methodist, First Presbyterian and Pleasant Grove Methodist Church Choirs and several instrumentalists from the area. Our youth will once again stage a Live Nativity during December. A Candlelight service is scheduled for December 24th.

In the near future, we plan to have our services broadcast not only on WAGY (1320 AM), but live on Northland Cable Channel 5. This will begin after the proper equipment has been installed.

We are also beginning plans to enlarge our Social Hall and Sunday School Departments. This will enable our Church to meet the needs of our Infant/Preschool Departments and also provide ground floor access to Senior Adults.

As we look to 1998 we will be celebrating our 150th birthday. We have many events and special services planned. All pastors and ministers formerly of First

Baptist Church of Forest City will be participating in monthly worship celebrations. Our year of festivities culminates with a worship celebration on November 1, 1998. We hope you will join us as we commemorate this once in a lifetime event.

HISPANIC STEERING MINISTRY COMMITTEE

Introduction

In January of 1997, a meeting was held in the offices of Green River Baptist Association for the purpose of exploring the need for a Hispanic Outreach in Rutherford County. It was determined at that time that a steering committee was needed as well as beginning this ministry as a joint project of to the two Baptist associations in the county for their review.

Two students from Fruitland Bible Institute, Chris Taylor and Jairo Contreras, were at the same time very much interested in the needs in the county with respect to the growing number of Hispanics. These two students began a survey of the Hispanic population and the areas of concentration within the county. They were both encouraged and assisted in this endeavor by Floyd's Creek Baptist Church. The project began to gain momentum and Floyd's Creek decided to formalize the situation by granting to the project official recognition by the church with Floyd's Creek becoming the sponsoring church.

At the same time Adaville Baptist was also endeavoring to meet some of the needs of the Hispanic Community by providing a place for English as a Second Language classes. The classes were held on Saturday mornings at Adaville Baptist Church. This ministry to the Hispanic Community opened up doors of opportunity to minister in other areas as well as establishing a means of getting to know an increasing number of Hispanic families. Through this ESL ministry a Home Bible Study was established.

In March of 1997 representatives from both associations met for formal discussion of the idea of Hispanic Ministry in our county and determined that electing a Hispanic Ministry Steering Committee with representatives from both associations was the direction to take. Green River approved this committee idea and members from GRBA at the April Quarterly Meeting. Committee members from GRBA are Jim Colon, Marilynn Thompson, and Pam Mungo. Liz Blanton and Chris Taylor serve from GRBA.
Also, Jim Diehl, pastor of Floyd's Creek and James Daves, pastor of Adaville, have attended planning sessions.

When it was discovered that both Floyd's Creek and Adaville had some ministry already in place to reach the Hispanic community, a joint meeting was held in mid summer of 1997 in order to discuss what the other was doing as well as to consider the possibility of working together as well as to lay the groundwork for further ministry with the

blessing of both associations. Subsequent to that date a concerted effort was made by the individuals involved to pool their efforts toward the establishing of a viable work among the Hispanic community. The following is the result of those labors to date.

A: ESL Classes

English as a Second Language Classes were started on Saturdays in December of 1996. Classes were started with one student and throughout the year of 1997 enrolled more than 40 students with an average on Saturdays of about 15 students. Teachers were recruited so that four classes were available each Saturday. Isothermal Community College got involved early on and the classes are now offered through ICC with Adaville Baptist serving as the Saturday Campus. Classes are held from 8:30 - 10:30 am.

During the week ESL classes are offered through ICC on the ICC Campus. The classes are held on Tuesdays and Thursdays 6:00 - 9:00 pm with two instructors available. There is an average of 5 students per class.

Mike Davis of ICC has talked to some industries in the county about offering ESL classes during working hours. In addition, Jim Colon has talked with Mike Davis about the possibility of starting some ESL classes that could involve some skilled labor acquisition. For example, offering ESL truck driver training classes. This class would equip the Hispanic student with the vocabulary and language skills necessary to enroll in the truck driver training offered through ICC. The manuals are in hand in Spanish and English.

Another possibility is Culinary Arts training in ESL classes that would prepare the student to enter as a level entry chef. Jairo Contreras, a graduate chef, would be available to lead these classes.

Some discussion has also taken place concerning the possibility of Certified Nursing Assistant classes as an ESL course. This would lead to a license as a CNA.

B. Bible Studies

Believing that the study of the Scriptures in a non-threatening context is an excellent means of allowing the Spirit to work in the hearts of the Hispanic community, two home Bible studies are in progress. The plan is to multiply the number of HBS. This will give us greater exposure and multiply the opportunities to evangelize and disciple the Hispanic community.

C. Social Ministries

1. Informational Office

In order to carry on an enlarged ministry to the Hispanic community that addresses some of the social needs of this segment of the population in the county, an informational office has been opened. The office is located in the library of Adaville Baptist Church. It is staffed on Mondays, Wednesdays and Fridays from 9:00 am - 12:00 Noon. The services are informational in nature. For example the location of county offices, where particular services in the county can be accessed, such as gas, electric, social security or social services. In addition, interpretation and translation services are available. Emergency transportation is also one of the services seeking to be addressed by the volunteers in this ministry.

2. Thanksgiving Outreach

Adaville Baptist invited the Hispanic Community to their annual Thanksgiving Dinner. A good number of them attended and thoroughly enjoyed the festive and worshipful service. This was another outreach from Floyd's Creek where a good number of the Hispanic Community were touched with the love and concern of the Christian Community. Floyd's Creek had held another outreach in the summer that was well attended.

3. Christmas outreach

During the 1997 Christmas Season gifts from donor churches were collected and distributed to children in the Hispanic Community. This served as an outreach of the Hispanic Mission. A service was held with the Gospel message proclaimed and the gift of God's son noted as the reason for the Christmas Season. A good number of Hispanics attended as well as the youth from Liberty and Floyd's Creek Churches.

4. Sports - Soccer

Under the guidance of Jairo Contreras, a pick up game of soccer has been played on the ICC soccer field on Saturdays from 11 am - 1 pm. This has allowed for contacts to be made with the Hispanic males and has led to friendships that will provide growing opportunities for ministry.

D. Mission Station - Henrietta

Primarily through the efforts spearheaded by Floyd's Creek Baptist Church, a location in Henrietta has been rented that serves as a

Mission Station. Services began to be held the last week in December with a small nucleus of believers. The site allows for the beginning of a formal meeting place with which the Hispanic Community can begin to identify.

I. Short Range Ministry Goals

Develop Short Range Plan

It is necessary at this point to develop a short range ministry plan in order to visualize the immediate future as well as to plan ministry. This effort is underway at present. Developing a budget is one aspect of this planning.

Develop a core group

Key to the success of the planned ministry is the development of a core group which is committed to the execution of the ministry plan. This effort is underway with several people already having committed to the task.

Multiply Home Bible Studies

It is a common belief among the members of the present core group that Home Bible Studies among the Hispanic community is a key to effective evangelism. The HBS allows for the Spirit of God to effectively minister through the Word of God in a setting that is non-threatening to a population that has its spiritual roots in the Catholic Church, a Church that has historically been opposed to the Protestant Evangelical Church.

II. Long Range Ministry Goals

Develop Long Range Ministry Plan

It is necessary to develop a long range ministry plan that encompasses the goals and objectives for the next five years.

Seek Formal State Convention Recognition

With the approval of the county Baptist associations, present to the State a plan for the Hispanic work.

Seek Funding for Mission Pastor

Formal recognition by the State Convention will allow available funding to be accessed for a church planter. Funding also will be an issue for the associations to address as well.

Develop Church Constitution

In order to explore ministry to the Hispanic population, the Green River Baptist Association, in conjunction with the Sandy Run Baptist Association, designated a steering committee composed of members from Sandy Run and Green River Baptist Associations. The committee has explored ministry possibilities, as well as, incorporating the efforts of those ministries already in progress. The committee now brings before you the following recommendations:

1. That we officially recognize and formally support the current Hispanic ministry.
2. That the Green River and Sandy Run Associations allow the steering committee to develop a "Long Range Ministry Plan" to be brought to a future meeting of the Association.
3. That the two associations seek convention recognition and funding for the Hispanic ministry.
4. That a Constitution and By-laws be developed for the Hispanic church.

III. Progress Report

The information above was presented at the January 1998 Quarterly Associational Meeting. Since the time of that report the Hispanic Mission has seen significant progress.

Rev. Jairo Contreras will complete his studies at Fruitland in December 1998. He is leading the mission in a fine manner. He is ever seeking the leading of the Lord. Services are conducted at 5:00 pm on Sunday evenings and on Wednesday evenings at 6:00. Attendance varies from 30-40, with many being women and children. In June of 1998 the mission moved from a building in Henrietta to the unused sanctuary at Adaville Baptist Church. The gracious support of the mission by Adaville allowing the use of this facility to greatly appreciated. This move has allowed for more teaching to be taking

place with children It also allows churches of the associations to visit the mission to worship with them from their cultural perspective. Many in our association have been on mission trips to countries with a Spanish cultural; with the mission a church can have the same experience. It is suggested that churches visit on the last Sunday evening in October, January, April and July.

In September the Hispanic Mission Steering Committee met with Mr. John Jones of the Baptist State Convention and negotiated the formal relationship between the BSC and the Mission. Mr. Jones had much valuable information for the committee that will help with the development of the mission. This mission is a joint venture of Green River and Sandy Run Associations and both associations have signaled their support of the mission by making a significant financial commitment to the mission for 1998-1999. You are directed to review the budget that has been developed for the mission listed below. Both associations have committed $11,500 to the mission. Some churches of GRBA have been giving over their regular Association gifts to the mission. Churches may continue to do this if they wish, or add it to their regular gifts. The amount given over a church's regular gift will be counted toward the $11,500 commitment of GRBA. God has given us a significant opportunity to reach a particular culture that is here is our county. God has brought a worthy servant in Rev. Jairo Contreras to lead the mission. Your prayer support and the commitment of your church is greatly appreciated.

DIRECTOR OF MISSIONS REPORT

This year has been one of implementing new ministries and mission that were emerging in our last Associational year. Specifically, the development of the Rest Stop Ministry and the Hispanic Mission are the core of this report.

In November of 1997, work was begun on the building on Hwy 221N that Don and Connie Parker donated to the association to develop a Rest Stop Ministry. Restrooms were added, wood stove moved upstairs, sinks installed, refrigerator donated by Mountain Creek Baptist Church, signs prepared and religious pamphlets placed in the building. The building was opened the first weekend in January. During the winter months the building was open on Friday afternoon, Saturday and Sunday afternoon. Spring, summer and fall it has been open on Sunday afternoons. The response by churches to host the building has been very strong and encouraging. Hosting the building is quite simple, just having a couple to greet people as they stop, offer them refreshments and keep a rocking chair going is the main responsibilities. Response by the public has been varied. Some days have seen many folks stop, some not any. Comments by the traveling public has been encouraging as they appreciate the uniqueness of the rest stop. Churches are encouraged to continue participating in this ministry by hosting the building and be praying that God will use this facility to His glory. I want to thank the many churches that have hosted the building and the many who helped work on the building originally and who help at various times take care of tasks that need to be done.

The second item to develop this year has been the Hispanic Mission, sponsored by Green River and Sandy Run Baptist Associations. You will find a lengthy report elsewhere to give information on the Mission. I do want to encourage continued support by our churches for this mission of the two associations. We have an opportunity to reach a culture in our area for Christ that will be a effective as missionaries that are serving in other lands. The Hispanic Mission Steering Committee will be meeting quarterly to help give guidance as the mission develops. Members of the committee are: (GRBA) Rev. James Daves, Rev. Jim Colon, Mrs. Wendy Case, Miss Pam Mungo, (SRBA) Rev. Jim Diehl and Mrs. Elizabeth Blanton, plus the Directors of Missions. Your continued prayers and encouragement of your church

to support the mission is appreciated.

This year has been a significant year in the financial support of the association as churches contributed over $102,000.00 toward the budget of the association, over $4000.00 to the Nannie Newsome Offering, over $1500 to the Christian Character Scholarships and $3300.00 to the Hispanic Mission. This demonstrates in an important way the commitment of our churches to associational missions. Once again this year, all churches contributed to the associational budget. We will face the biggest challenge ever this coming year for our budget needs as we commit greater support to the Hispanic Mission. Your support is appreciated.

Missionaries. Where do they come from? Some people may say seminaries. I raise this for two reasons. Look in the minutes of the Association and you will see there are a number of folks who have committed their lives to Christian ministry that has involved missions in other countries. When you look at the list, you will see most who are from our association are now retired, we have one serving in Chile from GRBA. Which brings me to my second reason for this report. Missionaries come from local churches, particularly churches that have a strong emphasis in R.A's, G.A.'s, Acteens, Women on Missions and Baptist Men. Where missions is taught, supported, presented by missionaries, God uses this to call another generation to His service. What about your church?

The Sunday morning radio program, "News of Green River Baptist Association" on WCAB continues to keep before our community the life, ministry and mission of our churches. People in the community appreciate hearing what is happening in your church.

Thank you for your support of the association and I ask your continued prayers as we serve our Lord together in this community.

Respectfully submitted,
Billy Honeycutt

VACATION BIBLE SCHOOL

Vacation Bible School is a unique opportunity to reach people with the gospel of Christ. Many lives are changed through this experience each year. From the 14 reports that were turned in this year, we had 26 people come to know Jesus Christ as their Lord and Savior. Our total enrollment was 1,350 people in our schools, with a total average attendance of 1,078. The offerings totaled $1,537.06. We are grateful to all who participated in VBS in the Green River Association. God bless you!

WOMAN'S MISSIONARY UNION

Missions Chain: God calls. Someone gives to send. Someone goes to tell. Someone is saved.

WMU continues to communicate to the churches the need to pray for, give to, and get involved in missions. On November 3, 1997, the Baptist Women of Green River met at Main Street and West Point for the World Day of Prayer. Pat Spearman and Judy Searcy, Women on Mission consultants, prepared the program. An offering was taken for the women's work of the Baptist World Alliance.

WMU began the Christmas season by leading the churches in a season of prayer for International Missions, promoting the missions offering, and leading in mission studies. Associational WMU members enjoyed a Christmas fellowship dinner with their partners in missions, Blue Ridge WMU. Seventeen churches prepared Christmas gift bags for the spouses of the students of the Fruitland Bible Institute. Fourteen hundred tubes of chap stick were donated to the Women's Correctional Center in Raleigh.

WMU held their annual meeting at First Baptist, Forest City, in May. Twenty-eight churches were represented. Those attending the salad supper enjoyed the children's handbell choir. The Mount Vernon adult choir and soloist, Star Hughes, provided worship music. Alva Marchman was remembered for her many years of missions service. Irma Duke, Executive Director of North Carolina WMU, was the guest speaker. An offering was taken for associational missions.

WMU consultants trained church missions leaders at Adaville in September. The national ministry project—Violence, was introduced and speakers, Billy Honeycutt, Phillip Bailey, Becky Daves, and Marilyn Conner discussed various ministry opportunities. Conferences were offered for all age-level leaders.

WMU provided a scholarship to Missions Extravaganza at Ridgecrest, sold cookbooks for the SOS program., and celebrated the missions work of the churches. There are many links to the missions chain and each one is essential. May we of Green River never break the chain.

STUDENT MINISTRY COUNCIL

The Student Ministry Council conducted a banquet in March for the high schools seniors from the churches of the association to help students learn a little about college life. Miss Katherine Burch, student at Gardner-Webb University, spoke to the group about college life and depending upon the Lord to help adjust to life. Twenty students attended and the evening was an encouragement to those attending.

RESORT AREA MISSIONS

The Resort Area Missions for the summer of 1998 was led by Shelley Hardin and Nikki Gowan. Shelley is a student at Converse College and Nikki a student at UNC-Greensboro. Both are members of Spencer Baptist Church. Worship services were conducted on the weekends in four campgrounds. Shelley and Nikki were warmly and graciously received by the campers and campground owners. Churches were gracious in inviting them to speak in Wednesday night services and to mission groups. The also continued an approach to ministry that involved assembling children's packets that contained instructional, infomative and inspiring items. They distributed over 400 of these packets in the campgrounds and in Chimney Rock village on Sunday afternoons. Churches have commited their support to providing items for the packets next summer. Churches may bring those to the office at any time, but they will be need by May 1999.

The search for students for 1999 will begin in January of 1999. Students who have finished at least one year of college are encouraged to consider the ministry. Application forms can be secured from the office.

Thank you for your prayers, interest and financial support of this ministry. It allow the Association to be "active on mission in our setting" during the summer in a unique manner. You will find in this report a financial statement. Keep in mind that about 10% of the North Carolina Missions Offering your church receives in September is returned to the Association and is used in this ministry. Thank you for your support.

CHRISTIAN SCHOLARSHIP FUND

The Christian Character Scholarship Committee expresses appreciation to the contributors listed below whose contributions were given to three students for 1998: Miss Kelly Jones, West Point Baptist Church; Miss Anna Heatherly, First Baptist Spindale; Miss Heather Dunaway, Rutherfordton Second Baptist. All of the applicants did an outstanding job of presenting their need. It is encouraging to see students making application for this scholarship because of the Christian character they are demonstrating in their personal lives. The goal of the committee is to have at least 100 people make a contribution of $25.00 once a year to this project. This is a one time scholarship given to recognize the Christian character that students have exemplified during their high school years and to help them as they begin their college years. Your encouraging others in your church to make a contribution, as will as your own, will continue to offer this support.

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street.

Her grandparents' murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life," she says. "I've been through about anything I can possibly go through."

Christy admits carrying a short fuse and outbursts, physical abuse and dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around,: Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parents weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

She Didn't Plan to See 16

Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see age 16.

"I used to dread getting up," she said. "I didn't know if I would get my mouth busted or my arm broke."

Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A"s and stars on the varsity basketball team, and tutors other residents in math, and went to New York for a summer basketball tournament and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportunities to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their

babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year.

During the past year BCH received $1.6 million through the Cooperative Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 million in revenue. Because of a positive investment environment, BCH investments of endownment funds provided 33 percent of revenue.

Buildings Dedicated

Two major priorities of the $10.1 million "Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/ Administrative Center at Odum Home in Pembroke on Jan. 20, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

U.S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people and passion" to successsfully help children and families turn their lives around."

"When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov. 21, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee.

"God has given me more that I deserve," Drake say in a brief, emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998. The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of $800,000, the largest ever.

Wherever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) 476-3669.

Hospital Celebrates 75 Years Of Service

In May 1998 the North Carolina Baptist Hospitals, Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to $500,747. It

was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

Division of Pastoral Care

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. Program and assistance offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. Resources for ministers include: Young Leaders Program, Turning Point, Interim Ministry Training, Intentional Interim Ministry training.

Facts about Wake Firest University Baptist Medical Center

With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.

The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for our medical students and residents. Construction is expected to begin in the spring on a $5 million, state-of-the-art facility.

Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December '97.

Points of Emphasis and Progress

ALS CENTER - Wake Forest University Baptist Medical Center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig's disease. The Medical Center's ALS program is the only center in western North Carolina devoted to ALS patients.

TAUMA CENTER - The Medical Center has the designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February 1997 issue of Applied Clinical Trials, Wake Forest university School of Medicine ranked in the top 10 U.S. clinical research institutions.

RANKED AMONG THE NATION'S BEST - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in nine of 17 specialties, according to rankings published in the July 1998 issue of U.S. News & World Report.

NEW HEART VALVE -Wake Forest University Baptist Medical Center is one of the first centers in the country to offer a new "natural" valve replacement to patients with diseased or damaged aortic heart valves. The Freestyle valve was tested extensively in six centers - including Wake Forest University Baptist Medical Center - before being released for general use.

NEWEST TREATMENT FOR EPILEPSY - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion.

SOUTH MOUNTAIN BAPTIST CAMP

"Thank the Lord for all the glorious things He does: proclaim them to the nations. Sing His praises and tell everyone about His miracles. Glory in the Lord; O worshippers of God, rejoice." That is our testimony as we look back at the handiwork of God over the past year in the ministry of South Mountain Baptist Camp. God just "keeps on blessing and blessing" and we want to praise Him for it.

"Off The Wall" was our theme for our summer camps this year as we challenged children and youth to get off the wall in their spiritual and personal lives and choose to follow God with all their hearts. The prayers and contributions of many individuals and churches was rewarded as God once more poured out His Spirit on the mountain. Through our nine weeks of camp we hosted 1,375 campers, an average of 153 campers each week. This represented a 16% increase over our 1997 camps. For two years in a row now we have experienced an increase in attendance for which we are grateful. However more significant than this increase in attendance are the decisions that were recorded during our camps. We were privileged to witness 206 campers profess their faith in Christ and another 199 made recommitments of their lives to Christ! In the two youth camps alone there were 70 professions of faith and 56 recommitments.

Usage of the camp facility during the remainder of the year by adult and youth groups remains strong. During the past year we have hosted 66 groups representing 1914 persons for retreats, one-day outings, etc. At this time demand by adult groups for our Retreat Center facility is greater than we can meet. What a great "problem" to have!

Financially, the camp continues to operate on sound footing. In January of this year our Camp Committee adopted a budget of $214,850 and we have every reason to believe that we will meet this budget projection. This is due to the generosity and obedience of many churches and individuals that believe in this ministry and give of their own resources to support it. These contributions enable us to keep our summer camp fees down at the low cost of $80, the best bargain in Christian camping today. While we are witnessing a miracle in the meeting of our operating budget, God is also providing through individuals and churches to enable us to retire our indebtedness. As of September, 1998 the debt has been reduced to approximately $49,000.

During the past year Green River Association has partnered with this ministry benefiting both the camp as well as the churches. During the summer we hosted 3 groups consisting of 41 persons. Many individuals have assisted us by physical acts of service on our grounds and facilities. We are grateful for the contributions we have received from 6 persons/churches of $1,050.00 to our operating budget.

What does the future hold for SMBC? As I shared with groups this summer, SMBC will be whatever you make it. We can have the very best Christian camping ministry in the country if that is what we want. Personally I am encouraged by what is happening. We have every reason to believe that in 1999 we will operate at capacity for the summer. We also believe there are other ways that we can partner in ministry with the churches of this area to enable them to accomplish their God-given mission. We are witnessing an increase in interest and a desire by many to get personally involved in this ministry. Our Camp Committee is meeting to plan and pray for the future development of the camp and property. These are exciting days for us.

Please continue to prayerfully support this ministry in the days ahead and share with us what you want from your camp.

Making Life for Older Adults...The Best of Times

Treasures Old and New

In concluding a series of parables related to the wise use of God's gifts, Jesus ended with these words, "Every scribe which is instructed unto the Kingdom of Heaven, is like unto a man that is a householder, which bringeth forth out of his treasure things new and old," Matthew 13:52.

During this past year God has enriched Baptist Retirement Homes with special treasures.

Treasures Old

THE TREASURE OF OUR NORTH CAROLINA BAPTIST FAMILY - Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, "Thank You", to the rest of our North Carolina Baptist family.

Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for Older Adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

THE TREASURER OF OUR BAPTIST VOLUNTEERS - These volunteers range from a W.M.U. group that provides regular monthly programs plus special activities such as ice-cream socials at The Taylor House in Albemarle, to a friend who spends hours each

week giving manicures at The Hamilton Baptist Home in Hamilton, to a B.S.U. group that provides a weekly program at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western North Carolina Baptist Home in Asheville.

Treasurers New

TAYLOR GLEN RETIREMENT COMMUNITY IN CONCORD - For more than a decade Baptist Retirement Homes has been dreaming with North Carolina Baptists of the Cabarrus/Mecklenburg/Rowan/Stanly area about providing quality residential and health care living opportunities and services to Older Adults. Because of the encouragement given by Baptists of the area, and as a result of the philanthropy of Cabarrus County natives, Carrol and Geneva Taylor, this dream will soon be a reality.

FIVE NEW TWO BEDROOM APARTMENTS AT BROOKRIDGE - These apartments are nearing completion as an addition to the Main Building at the Brookridge Retirement Community in Winston Salem. Bringing the total number of independent living apartments to 146.

RESIDENTIAL UNITS FOR MEMORY IMPAIRED - Special units for those Older Adults dealing with dementia related conditions such as Alzheimer's Disease, will be developed at the Western North Carolina Baptist Home in Asheville and the Brookridge Retirement Community in Winston Salem. In Asheville the unit will be created via a significant renovation within the current home. In Winston Salem new construction will be required.

This report is sent with heartfelt gratitude for your prayers, your deeds of kindness and your gifts enabling us to make life for North Carolina Baptist Older Adults...***The Best of Times!***

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Baptist State Convention of North Carolina

Chowan College - 1848
Gardner-Webb University - 1905
Meredith College - 1891
Wingate University - 1896
Campbell University - 1887
Mar Hill College - 1856
Wake Forest University - 1834

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfull their missions. It does, however, study and recommend the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife, Debbie, are alumni of Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college president, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the Convention. The Council is currently involved in strategy planning. It is seeking to prepare for the new millenium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

THE BIBLICAL RECORDER

Associational Report—1998

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty, and its corporate corollary—the autonomy of the local church.

But Baptist will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept pace with the state-of-the-art in print media, and entered site. The Web site address is: http://WWW.biblicalrecorder,org.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally—from Asia, Africa, Europe, South America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff

time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

HISTORY OF THE CHURCHES IN THE GREEN RIVER BAPTIST ASSOCIATION

October 1, 1997-September 30, 1998

With thirty-five churches combining their efforts through love, concern, and a love for doing the Lord's work, God continually sheds His blessings on us. It is so amazing how God continually opens up new avenues of service for His followers to take hold of and in Green River Association we turn them into ministries. Let us all be good "ambassadors" and help spread the "Good News" through these opportunities Church-wide and Associational-wide.

The 1999 Annual Minutes are Dedicated in Memory of

Mr. Quenton Scoggins.

Mr. Scoggins was instrumental in remodeling the building that is now the Association Office. He was chairman of the committee that secured volunteers to do a major portion of the work. Through his skill and building knowledge considerable savings were realized in converting the building from being formally a restaurant to our current office building. Mr. Scoggins was a member of Green Hill Baptist Church.

Mrs, Daisy Noblitt

Mrs. Noblitt supported the Association as a messenger from her church, Bill"s Creek, and a faithful participant in Woman's Missionary Union. She encouraged her church's participation and support of the Association. She served on various Association committees throughout the years as well as leadership positions in WMU. One of her great skills was cooking, especially pecan pies. She blessed many a person in this manner.

Mr. Vance Perry

Mr. Perry gave of his skills as an attorney when the association was in need of legal advice or assistance. He served on various committees of the association as well as assisted churches of the association in the process of incorporating. Mr. Perry was a faithful, dedicated member of Spencer Baptist Church.

All three of these servants went to be with the Lord within a week during the spring of 1999.

O sing to the Lord a new song, sing to the Lord all the earth
Sing to the Lord, bless his name, tell of his salvation from day to day.
Declare his glory among the nations, his marvelous works among all the peoples!
For great is the Lord, and greatly to be praised: he is to be feared above all gods.
For all the gods of the peoples are idols: but the Lord made the heavens.
Honor and majesty are before him; strength and beauty are in his sanctuary
Ascribe to the Lord, O families of the peoples, ascribe to the Lord glory and strength!
Ascribe to the Lord the glory due his name, bring an offering, and come into is courts!

CALLED ASSOCIATIONAL MEETING

May 6, 1999 — Calvary Baptist Church

- Call to order ..... Rev. Terry Brooks, Moderator
- Hymn
- Scripture & Prayer ..... Rev. Johnny Bridges
- Registration Committee Report
- Presentation by Constitution and By Laws Committee of current constitution and Revised constitution. The constitution was last Revised significantly 15 to 20 years ago with minor Revisions taking place during that time. When the Association voted to move from an Executive Committee/Annual Meeting arrangement to a Quarterly Associational Meeting arrangement, this necessitated many Revisions to the constitution in order for the two to be in agreement. Below are the major Revisions that appear in the Revised constitution:
  1. Alignment of committees and other portions of the Constitution and By Laws with Quarterly Association Meeting.
  2. Moving of Personnel Policies from being a part of the C.&B.L. to being a separate item that the Personnel Committee will be responsible for.
  3. Deleting four committees that have functioned very rarely for many years: Library, Christian Social Ministry, Stewardship Committee: Education Section; Stewardship Committee: Mission Section
  4. Formation of an Administrative Council, Constitution, Article VI and By Laws Article II.
- Items that have been brought to the attention of the C.&B.L. committee since the report was distributed on 4/26/99.
  1. Lack of description for the Church Development position "Student Ministries Director". The committee adds the following to the By-Laws Article IV: Section 26. The Director of Student Ministries shall coordinate and work with the Student Ministry Council in encouraging ministry to college students in the churches and planning, coordinating and conducting associational events for college students.
  2. In the By Laws Article IV, Duties of Elected Officers, Section 1 "Moderator" you will find the phrase "and appoint the parliamentarian." Later in that same Article, you will find Section 14 concerning the Parliamentarian. Being in Article IV, Duties of Elected Officers, Section 14 would imply the Parliamentarian is an elected officer. Article IV, Section 1 "Moderator" says the Parliamentarian is appointed. The C.&B.L Committee recommends adding the following to Section 14: "The Parliamentarian is appointed by the Moderator."
- Motion by Constitution and By-Laws Committee

- Discussion, questions, etc., vote.
- Benediction.

REPORTS

APPRECIATION COMMITTEE

We express our appreciation to every church and each church member in our association for your support this past year. You support the association in so many ways. Each church in the association is to be commended for contributing to the association budget this year as we realized 100% participation.

To our churches, church families, pastors and staff members, we thank you. You are the basis of our entire organization.

To Pleasant Hill and Green Hill, our appreciation for hosting our Quarterly Meetings.

Our heartfelt appreciation to Roger Moore, leader of the 3 on 3 Basketball Tournament. Seventy (70) to eighty (80) boys participated this year, the sixth (6th) year of the tournament.

Many thanks to the churches who volunteered to host the "Rest Stop Ministry". This ongoing ministry has proven most appreciated by our tourist family.

To those who worked at the Mountain State Fair Ministry, a heartfelt thank you. This year, for the second time, we accepted responsibility for a full day of volunteers.

Our deepest appreciation to Adaville Church for the use of their facilities for our Hispanic Mission. Each of you in the Association is most appreciated for your support in this ministry.

Our Lake Lure Summer Resort Ministry continues a success. Our appreciation to Shelley Hardin and Nikki Gowan for the hard work and for their dedication to their responsibility.

During this month, October, Teresa Sams marked her tenth (10th) anniversary as our Association Secretary. Special thanks and appreciation to a gracious Christian lady for the "TLC" you provide to your charge. We love you.

To Billy Honeycutt, a true Christian missionary and leader, and gentleman, we heartily appreciate all your guidance and love.

The Appreciation Committee makes a motion that the minutes of 1999 be dedicated to the following three people:

Mr. Quenton Scoggins.

Mr. Scoggins was instrumental in remodeling the building that is now the Association Office. He was chairman of the committee that secured volunteers to do a major portion of the work. Through his skill and building knowledge, considerable savings were realized in converting the building from being formally a restaurant to our current office building. Mr. Scoggins was a member of Green Hill Baptist Church.

Mrs. Daisy Noblitt.

Mrs. Noblitt supported the Association as a messenger from her church, Bill's Creek, and a faithful participation in Woman's Missionary Union. She encouraged her church's participation and support of the Association. She served on various association committees throughout the years, as well as leadership positions in WMU. One of her great skills was cooking, especially pecan pies. She blessed many a person in this manner.

Mr. Vance Perry.

Mr. Perry gave of his skills as an attorney when the association was in need of legal advice or assistance. He served on various committees of the association, as well as, assisted churches of the Association in the process of incorporating. Mr. Perry was a faithful, dedicated member of Spencer Baptist Church.

All three of these servants went to be with the Lord within a week during the spring of 1999.

Committee Members:
Mrs. Doris Goodwin (C), Mrs. Johnny McDonald, Mrs. Elora White

DIRECTOR OF MISSIONS REPORT

There is much to express commendation for to our Lord and to you as churches who chose to be active on missions in our setting through the Association during the year of October 1998-September 1999. I appreciate the various ways you participated in missions in our area.

First, thank you for the support of the Rest Stop Ministry. At least half of our churches at some time during the year hosted the ministry. Some churches have become regular in their participation. People are beginning to be regular in stopping by and words of appreciation are constantly being expressed by the public. Gospel tracts, brochures, coffee, soft drinks and cookies were distributed in large numbers. This is a simple ministry churches can be a part of through your Association.

Second, thank you for your support of the Hispanic Mission. The budget of the Association was increased significantly for the Association year with the major portion being for the Mission. Your gifts to the budget of the Association and designated gifts for the Mission have allowed GRBA to send $958.00 per month to support the Mission. Also, churches have helped purchase Bibles for the mission, have visited worship services and have helped with the nursery during the Sunday evening service.

Third, thank you for your support of the food boxes for Honduras. This took place in May-June and you sent 88 boxes. This was in support of a request from missionaries in Honduras seeking to help people as they were continuing to recover from the devastating Hurricane in the fall of 1998.

Fourth, thank you for your support of the "Jesus Video" project. The Association received a one time gift from the Baptist State Convention

from the Cooperative Missions Budget overage that was used to purchase 325 of the videos, 75 were for the Hispanic Mission. Each church was allocated 7 copies of the video and have used them in various ways as an outreach method in their communities.

Fifth, thank you for your support of the Mountain State Fair Ministry. There were 44 people from our Association who went to the fair on September 14, 1999, but there were many of our people who made bears for children, hygiene kits for fair workers, donated clothes for the fair workers and all who used the prayer guides offering prayer support for the ministry.

Sixth, thank you for your gracious response to help the people of Eastern North Carolina who were devastated by Hurricane Floyd. You sent money through our office and directly to the Baptist State Convention in support of the efforts of N.C. Baptist Men. You also donated items that were shipped to various affected areas. Thanks to Spencer Baptist Church for serving as a collection point.

Seventh, thank you for your strong support of the Association budget. Your gifts of $111,117.00 is the largest amount ever given by the churches in support of the Association budget. Once again this year all churches of the Association contributed to the budget.

Eighth, thank you for your gifts to the Nannie Newsome Offering that exceeded the goal for the first time in a few years. This allowed for support of the Resort Area Missions and for purchasing a video projector.

Ninth, thank you for your support of the Christian Character Scholarship Fund. This year through your gifts and money from the Youth Fund, ten scholarships totaling over $4,600.00 were granted.

Tenth, thank you for your thoughtful and wise consideration of the Revised Constitution and By-laws and approval of this important document.

Eleventh, thank you for your support of Shelley Hardin and Nikki Gowan in the Resort Area Missions. Specifically, thank you to those churches that provided items for the Children's Fun Bags, which allowed them to distribute 400 bags during the summer.

One of the growing requests through the office is assisting persons with various needs. Referrals are made to various agencies in the County, but still the needs seem to increase. This will be an issue for further consideration to appropriately address.

There are a couple of items that give me some concern. One, finding leadership for Church Development positions in the Association. For the last two years there have been 3-5 positions that have gone unfilled. This has a negative impact on being able to provide training resources for the churches when leadership is absent. Second, finding ways of increasing interaction and fellowship among our ministers. Our monthly Ministers' Conference is a way of providing fellowship, but attendance the last couple of years has been minimal. Our ministers are encouraged to participate.

I appreciate your support of the association and your involvement in the mission and ministries of the Association. And thank you for praying for the Association.

Respectfully submitted,
Rev. Billy Honeycutt

HISPANIC MISSION REPORT

The Hispanic Mission continues to grow as the Lord continues to lead and work through the leadership of the Mission. Rev. Jairo Contreras is providing dedicated leadership. The Mission is experiencing growth as they have baptized twelve, seen average attendance increase to seventy and are participating in regional events with Hispanic missions across Western North Carolina.

Funding for the Mission comes from offerings by the Mission, from the Baptist State Convention and from Sandy Run and Green River Baptist Associations. The Hispanic Mission Steering Committee, composed of folks from both Associations, the Mission and Adaville Baptist Church, meet quarterly to Review the progress of the mission. There is a monthly report in the Association newsletter of the Mission. During the summer the Mission purchased a van with money from the BSC and from the Mission, had a weekend evangelism event that was blessed with six conversions and attended events in Marion and at Ridgecrest. The move to the Adaville location has proven to be a significant factor in the growth of the Mission.

The leadership of the Mission is conducting Bible study classes during the week, offering English As Second Language classes and working with

the growing number of youth that are attending. Services are Sunday evening at 5:00 pm and Wednesday at 7:00 pm. One of the constant needs is providing Spanish Bibles for people who attend the Mission.

Your continued prayers for the mission and encouraging your church's support is appreciated.

Respectfully submitted,
Rev. Billy Honeycutt

CHRISTIAN CHARACTER SCHOLARSHIP FUND REPORT

The Christian Character Scholarship Committee expresses appreciation to the contributors listed below whose contributions allowed ten scholarships to be given during the summer of 1999. The students were: Josh Simpson and Rachel Wingo, West Point Baptist Church; Tera Crowe, Meredith Head, Adaville Baptist Church; Lara Crook, Leigh Harris, Michelle Ayers, Meredith Ellenburg, Rutherfordton Second Baptist Church; Heather Fowler and Tina Brooks, Green Hill Baptist Church. It is encouraging to see students making application for this scholarship because of the Christian character they are demonstrating in their personal lives. The goal of the committee is to have at least 100 people make a contribution of $25.00 once a year to this project. This is a one time scholarship given to recognize the Christian character that students have exemplified during their high school years and to help them begin their college years. Thank you for your support of this fund and for encouraging others in your church to participate.

VACATION BIBLE SCHOOL

We would like to thank all of you who had a part in Vacation Bible School this year. Because of your dedication, lives are eternally changed through this ministry. From the 6 churches who reported, there were 3 students who came to know the Lord as their personal Savior this summer. There was a total of 529 students enrolled with an average attendance of 73.

RESORT AREA MISSIONS

Miss Shelley Hardin and Miss Nikki Gowan served as the student missionaries for the Resort Area Missions this summer. Both are members of Spencer Baptist Church. Shelley is a student at Converse College and Nikki is a student at UNC-Greensboro. They conducted worship services in four campgrounds and at one motel each weekend.

The Children's Fun bags were once again well received by children in the campgrounds and in Chimney Rock village. The support of the churches in supplying the items for the bags directly contributed to this success.

And the church's contributions in the fall of 1998 to the North Carolina Missions Offering helped with financing this ministry as about 9% of the total from our churches was returned to GRBA and used in the Resort Area Missions ministry. Thank you for the various ways you support this association ministry.

Baptist Retirement Homes of North Carolina

"Lord...you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance."

-Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

". . .You have made my lot secure."

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing $1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

". . .The boundary lines have fallen for me in pleasant places."

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid the familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among the flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen Community in Concord.

". . .Surely I have a delightful inheritance."

Being part of the Baptist Retirement Homes Family and resting comfortably in its care is a wonderful inheritance. Thank you for helping us make life for our elderly...The Best of Times!

"N.C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for The Biblical Recorder.

Dr. Royston"s correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptist institutions, helping our churches develop as places where he Gospel is treasured and Christ is honored.

Maintaining close times to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of theses are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our State Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state

and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

WINGATE UNIVERSITY

Wingate university is one of the best liberal arts colleges in the South, according to a recently released ranking of the nation's top schools in U.S. News and World Report's "America's Best Colleges." In recent years, Wingate University has consistently been listed among U.S. News and World Report's best colleges but moves from last year's second tier of top liberal arts colleges into the top 32 in the region.

"This is an affirmation that our efforts to provide challenging academic work in a nurturing environment are right on target," says Wingate University President Dr. Jerry McGee. "It is a credit to our outstanding faculty, dedicated staff, visionary leadership and faithful supporters and friends—all those who continue to believe in the mission of value-based education."

The "Best College" rankings are intended to be a measure of academic excellence. U.S. News and World Report achieves the list by categorizing colleges by mission and region and then comparing schools by 16 key indicators in seven categories: academic reputation; retention of students; faculty resources; student selectivity; financial resources; alumni giving; and graduation rate performance.

Founded in 1896, Wingate University has a history of providing a premium education in a supportive environment that encourages students to excel. Students can choose from more than 40 majors on the undergraduate level in the university's Charles A. Cannon College of Arts and Sciences, the School of Education, and the School of Business and Economics. Graduate level studies in business and education are offered at Wingate's Matthews Center.

Annual Report

In keeping with its mission of providing a supportive atmosphere where faith, knowledge and service are the cornerstones of a Christian higher education, Wingate University gave significant attention to conversation and collaboration on faith issues this year.

Wingate hosted the first annual Faith Doing Justice Conference—a Protestant-Catholic dialog about social justice and its relation to personal faith. Headlined by evangelical, social activist Rev. Tony Campolo and Charlotte Catholic Diocese Bishop William Curlin, the event brought

together more than two dozen community leaders as well as interested individuals from the Protestant and Catholic traditions.

Wingate was also the host site for the celebration of the 75th Anniversary of Baptist Student Unions in North Carolina. Wingate students joined their peers from around the state in service during their Spring Break. Some helped build a Habitat for Humanity home in Marshville, while others led Vacation Bible Clubs for youth in a nearby trailer park. Some chose to work with young Hispanic children in area elementary schools.

Wingate's annual Interpretation of Scripture Conference brought pastors and lay people from Lancaster, S.C., to Black Mountain, N.C., together to discuss the Book of Joshua. This conference helped prepare participants to teach the Winter Bible Study.

Another event well-attended by Baptist teachers, ministers and laity was Wingate's Panel Discussion on Evolution and Creation with Dr. Man Wah Tan, a geneticist from Harvard University, and Wingate professors Dr. Chris Dahm, Dr. Todd Lake and Dr. Jim Peterson.

G.A., R.A. and Youth Days were attended this year by hundreds of youth from six area associations. The day-long programs focused on missions and featured home and foreign missionaries as the major speakers. Wingate students continued to be energized about outreach and involved in many meaningful service activities. Wingate Works and the University and Community Assistance Network were two organizations active in community service throughout the year. Group members helped build two Habitat homes for poor families, did yard work and home repairs for the elderly, and cleared trails at Union County's Cane Creek Park.

The Christian Student Union, Wingate's B.S.C., continued to be one of the largest organizations on campus with an ever-increasing attendance at weekly meetings. Small Bible study groups met weekly in the residence halls, providing students a venue for reflections on scripture, prayer and fellowship. Ten C.S.U. students spent two weeks in Honduras working with the Baptist Medical and Dental Mission in May. Sarah Anderson left for Honduras shortly after her graduation from Wingate. She has spent all but one of her Spring Break vacations in service to others as part of Wingate's C.S.U.

"It is neat to be in the mission field and telling people that Jesus loves them—helping people who can't help themselves," she says. "You learn a lot about yourself too and your relationship with God."

During the year, students and faculty were enriched through a program of spiritual events which included lectures from prominent Christian leaders on significant academic, ethical and religious topics. Guests this year included Dr. Ben Witherington, author of thirteen books on Jesus and the New Testament; Sister Helen Prejean, social activist and author of Dead Man Walking; Bruce Kuhn, Broadway actor who performed Acts of the Apostles; Millard Fuller, founder and president of Habitat for Humanity;

Dr. William Edgar, who spoke on the Christian roots of jazz; and Rev. Al Cadenhead Jr., pastor of Providence Batpist Church in Charlotte.

Other events held on the Wingate campus affirmed the close ties between the University and the Baptist community. In Union County and surrounding areas, Wingate's cultural assets were a source of education and entertainment for both adults and children. Over 25,000 school children, teachers and parents attended cultural events on the University campus. More than a dozen Baptist organizations were among those in attendance. A weekly television program on WUTV continued to strengthen the relationship between the University and area churches. Dr. Byrns Coleman hosted a program to prepare Sunday School teachers for their adult lessions. The program aired twice each week and frequently included local pastors and members of the Wingate faculty. Many members of the Wingate faculty, student development staff and adjunct instructors hold graduate degrees from Baptist seminaries. These members of the Wingate family are frequently called upon as resources for area churches.

Additionally, Wingate continued to provide direct financial benefits for its Baptist members. Partners in Education is a matching grant program available to North Carolina students in cooperation with their local Baptist churches. Through this program, many Baptist youth received the financial assistance that made attendance at Wingate possible. Ministers employed full-time by a Baptist church were eligible for tuition-free undergraduate courses through the leaders, dependents of ministers and dependents of foreign missionaries.

Of great significance this year was Dr. Keithen Tucker's work to enhance relationships between Wingate and Baptist churches across the state. As director of church relations, he traveled throughout the state visiting Baptist churches not only to share the good news of the University but also to confirm Wingate's commitment to serving their needs and welcoming with open arms Baptist youth who seek a quality education in a value-centered, Christian environment.

North Carolina Baptist Hospitals
Meeting the Challenges of Health Care

HOSPITAL CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist

State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother"s Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to $530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department"s fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. Programs and assistance offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. Resources for ministers include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Forsyth and Guilford counties. The North Carolina Baptist Hospitals, incorporated has opened Besthealth, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet

access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.
Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife. The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.
Trauma Center. The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.
NASCAR - The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of **NASCAR Winston Cup Racing**. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.
Ranked among the Nation's Best - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of U.S. News & World Report. These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopedics, otolaryngology, rheumatology, digestive tract, and urology.
Newest treatment for Epilepsy. Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States.

Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling $1.4 million and received $3.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Some $639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the services of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held $80,874,628 under management. This is an increase of more than $8 million over 1997. During 1998, $1,741,923 was distributed to individuals and $2,772,599 to Baptist work for a total distribution of $4,514,522. During the 79-year history of The North Carolina Baptist Foundation, Inc., $14,217,160 has been distributed to individuals and $22,305,008 to Baptist churches, institutions and mission causes for a grand historical total of $36,522,168.

HISTORY OF THE CHURCHES IN THE GREEN RIVER BAPTIST ASSOCIATION
October 1, 1998-September 30, 1999

It is still so amazing how God is working throughout this association of thirty-five churches. Each church is so active within their areas of ministry, and yet, are so able and willing to help in all of the associational ministries. It proves that when God's people work for His glory – great things are done. Being "good stewards" of our talents, time and money – all God ask is that we consecrate them all upon the alter – trust Me – try Me – saith the Lord of Hosts.

West Memorial: The new fiscal year began in September with a quarterly theme, "Becoming a praying church." Much emphasis was placed on

developing a good prayer relationship with God which would lead to becoming a praising family which in turn would lead to a family who had a strategic plan to become a producing church.

Middle School gymnasium where several of the local churches were involved. This was the second year that our church planned and held a new year's eve service. Changes were made in the nursery, the youth room, the sanctuary, as well as, some of the sunday school classrooms.

Throughout the year different events were planned to encourage people in each area of the church. The women of the church went on a retreat to Pigeon Forge in March where they heard challenging messages from dynamic speakers. In Memory of

Mrs. Yvette Poston

Mrs. Yvette Poston

Yvette was a faithful servant of our Lord Jesus who expressed this virtue through active involvement in her church, Chimney Rock Baptist Church in Lake Lure, North Carolina, the Green River Association and the state WMU.

During her 24 years as a member of Chimney Rock Baptist Church, she was an active leader in the WMU, she helped teach during the many Vacation Bible Schools the church held, taught the Women's Sunday School class, served as Sunday School Director at least once and notably, she served as the Financial Secretary, carrying out her duties with the utmost confidentiality and integrity.

As a messenger to the Green River Baptist Association from her church she also took an active role in missions. She served for about ten years as the Association Vacation School Director, was a member of the WMU Association Leadership Team for many years and also was active in the Literacy Program of the Green River Baptist Association expressing love and concern for those she mentored.

For many years she worked as a volunteer with the state WMU at Camp Caraway as they ministered to female inmates through the WMU Women's Prison Ministry during the summer, one week out of every year.

Above all of these deeds, Yvette performed many deeds that no one but the Lord will every truly know. Yvette went to be with the Lord on November 6, 1999.

CALLED MEETING

March 27, 2000 - Green Hill Baptist Church

PROCEEDINGS:

1. The messengers of the Green River Baptist Association met for a called meeting on Monday, March 27, 2000 7:00 pm at Green Hill Baptist Church.
2. Rev. Terry Brooks, Moderator, called the meeting to order for the purpose of discussing the purchase of the Dogwood Motel Property and announced that Dr. Bob Morgan, retired professor of Gardner-Webb Univ. and messenger from Green Hill Church, would serve as parliamentarian, if needed.
3. Mrs. Judy Watson, Registration Committee, reported that there were 108 messengers and 9 visitors representing 28 churches registered at 7:00 pm and made a motion that these messengers and all who shall register comprise this Called Association Meeting of the Green River Baptist Association. Motion carried. (final total was 110 messengers and 9 visitors)
4. Billy Honeycutt, DOM, gave some background information on the GRBA office location and the choice to pursue the purchase of the Dogwood Motel and property, as well as, the beginning negotiations with the realtor after meeting with the Building & Grounds Committee, the Administrative Council and the Budget Committee.
5. Joe Simpson, Building & Grounds Committee Chr., further explained some reasons why the decision was made to pursue the purchase of the motel and property.
6. The floor was opened for questions and discussion. Below is a gist of what was spoken:
    - A question was asked -What is condition of building? fair shape, nothing would need to be done at present.
    - Tommy Hardin, Spencer -Who made appraisal? Pitts & Reality Co. Are they certified? By the information GRBA received, its unsure.
    - Melba Bridges, Rutherfordton First - Has the property deed, property lines, etc. been checked through the courthouse? Not yet, that would be done after the messengers approved vote because there would be a fee for a title check.
7. Jim Henson, Budget Committee Chair, reported after checking with all loan companies that BB&T made the best offer:
    - 175,000.00 = Purchase Price
    - 25,000.00 = from GRBA Building Fd.
    - 150,000.00 = Loan Amount - 9% interest, variable rate,
    - 10 year loan= $1,900.00 monthly payment,

- $22,800.00 annual payment.

Mr. Henson explained that the Association, at present, had $43,951.00 in a Building Fund and a remaining amount of $800.00 in Budget available for Building Fund. Another possible source to help with payment of this debt could be from the remainder of the NNO above the $2,000.00 for Resort Area Missions.

8. The floor was, again, opened for questions and discussion. Melynda Smith, Green Hill -Why variable rate loan? The bank viewed this as a commercial type loan.
9. Rev. Brooks brought the following motion from the Building and Grounds Comm., the Budget Comm. and the Administrative Council:
"That Green River Baptist Association purchase the Dogwood Motel property through Matheny Real Estate at a cost of $175,000.00." The floor was once again opened for discussion: The following comments were heard:
    - Tommy Hardin, Spencer - perceived that the cost of the debt was too much for the churches to come up with in such a short time frame. Some churches would not be able to do this so others would have to do more. Asked was it practical to ask the churches to do this?
    - Mr. Hardin made the following substitute motion: "That the Green River Baptist Association ask each member church to make a ten (10) year financial commitment for the purchase of the motel property adjacent to the Association office. This commitment shall be paid monthly beginning when the property is obtained. The commitment, in writing, shall be returned to the Association office by May 1, 2000. A returned commitment will be evidence of agreement to purchase. If all returned commitments do not total the amount of the loan and interest, based on present prime, this shall be evidence not to purchase said property. The administrative council is empowered to act according to this substitute motion."
    - Bob Gammon, Forest City First, seconded the motion.
10. At this time the floor was opened for discussion on the substitute motion. The following questions were asked and comments were heard:
    - Ray Huskey, Forest City First - made comment that since most churches have already adopted their budget for the year and would have to amend the budget to comply with this motion and did not see the motion as a good option at this time.
    - Tommy Hardin, Spencer - Where will money come from if

not from the commitment of the churches?

- Perry Jones, Spencer - What would happen if we couldn't make 1, 2 or 3 payments? We could go a 15 year loan if we choose.
- Don Christian, Spindale First - made comment that what he was hearing was that there needed to be a debt retirement strategy.
- Rev. Honeycutt spoke of a possible approach of paying interest only for the remainder of the year and using NNO and Building Fund monies strategy.
- Larry Hinson, Mountain Creek - Asked how much would be left in Building Fund after $25,000.00? 18,000.00.
- Dean Baughn, Rutherfordton First - How much did we have when we purchased our present building? If we don't buy the property, who will be our neighbors? answer: We had no money saved, the churches helped.
- Tommy Hardin, Spencer, confirmed no opposition of buying the property but was concerned that some churches would not be able to help with paying the debt.
- Tim Mann, West Point, expressed his concern with the polity of the substitute motion. Messengers are sent from the churches to represent them and should be able to vote. Rev. Mann then called for the question.

11. Rev. Brooks repeated the substitute motion and called for a vote by standing. The substitute motion failed.
12. Motion 1 was presented again for discussion and the following comments were heard:
    - Frank Nanney, Round Hill, obtained information from the courthouse on age of building, acreage and property tax value finding the GRBA property on the books at $102,600 and the motel & property at $116,100. Stated that he was in favor of purchasing but asked that the Association offer between 100,000.00 and 125,000.00 for the motel & property instead of 175,000.00.
    - Larry Corn called for the question.
    - Billy Vaughn, Spencer, expressed the desire for a bigger and better Association office, but suggested selling our property possibly to whomever bought the motel property and buy elsewhere with more property and space.
13. At this point the written ballot was read and everyone was asked to mark 'yes" on the ballot if in favor and "no" on the ballot if not in favor of purchasing the motel property. Two more messengers had arrived since the meeting had begun. After voting, the ballots were collected and counted by the Administrative Council.

14. Terry Brooks led the congregation in singing the hymn "*Sunshine in My Soul*".
15. The moderator read the count as follows: 63 "yes", 44 "no", and 3 Messengers did not vote. The motion passed.
16. Rev. Brooks brought a second motion from the Building and Grounds Committee, the Budget Committee and the Administrative Council:

    Motion 2: "That Green River Baptist Association take $25,000 plus closing costs from the Building Fund that is with the North Carolina Baptist Foundation to lower the amount needed to finance the purchase of the motel."

    The vote was taken by show of hands. The motion passed.
17. Rev. Brooks brought a third motion from the Committees as follows:

    Motion 3: "That Green River Baptist Association churches and individuals that would feel so led make a designated gift to the Association over the next month that will be used to lower the amount needed to finance the purchase of the motel."

    From the floor:

    - Ray Huskey, Forest City First, asked what if our church can't come up with this money in this time frame?
    - Rev. Honeycutt answered that only whatever churches felt led to do was requested and maybe the closing date could be pushed from April to May to give churches a little longer.

    The motion was then voted on and passed.
18. In the same manner, a fourth motion was brought as follows:

    Motion 4: "that Green River Baptist Association authorize the Budget Committee to borrow up to $150,000.00 from BB&T Bank at prime rate, (currently 9%) for 10 years with a monthly payment of 1,900.00, variable loan and based on the prime rate."

    From the floor:

    - Rev. Ron Reep, Mountain View (Rfd) suggested a 15 year loan which would offer the opportunity for lower payments but could still be paid off in 10 years, if possible. Jim Henson gave report on 8.75% rate for 15 years with payment of 1,589.04. Interest rate had gone up to 9% after this quote.
    - Rev. Dean Baughn, Rutherfordton First, asked if, preceding the closing date, the Committee could keep looking for the best deal on the loan. Committee agreed.
    - Rev. Honeycutt commented that an individual had offered to loan the Association $10,000. interest free for 10 years. This individual challenged the Association to find 14 other people to do the same.

19. Mr. Frank Nanney, Round Hill, made the following substitute motion to Motion 4: "that Green River Baptist Association authorize the Budget Committee to borrow up to $150,000 at prime rate or less for 10 years." The substitute motion was seconded by Larry Corn, Oak Springs, who asked if it would be possible to get the loan through the Baptist Foundation. Rev. Honeycutt stated that the BSC had been contacted and had no funds for this type project but he would check with the Baptist Foundation. The substitute motion which would replace Motion 4 was voted on by a show of hands and the motion passed.
20. Motion 5 was brought by the Committees as follows:
    Motion 5: "That Green River Baptist Association change the designation of the Nannie Newsome Offering that was approved in the January 2000 Quarterly Association Meeting from being used to finish the basement at the Rest Stop Building to being used for making payments for the remainder of the Association year on the debt." The motion was voted on by a show of hands and passed.
21. Motion 6 was brought by the Committees as follows:
    Motion 6: "That Green River Baptist Association use all of the Nannie Newsome Offering above the first $2,000 and the line item in the budget "Building Fund" to pay the interest on the loan through the month of September." Dr. Don Christian, Spindale First, made an amendment to the motion as follows: "that the Budget Committee bring back a recommendation for financing this in the event that the Nannie Newsome Offering is not sufficient."
    The amendment to the motion was seconded, voted on by a show of hands and carried.
    The original motion, Motion 6 as amended, was voted and passed.
22. Rev. Dean Baughn challenged the churches to consider the spirit of Tommy Hardin's earlier motion to bring back to the next quarterly meeting an indication of a tentative commitment with figures if they are willing to go in this direction.
23. Rev. Honeycutt thanked everyone for the good spirit, good thoughts and insights.
24. Rev. Tim Mann, West Point, dismissed with prayer.

REPORTS

APPRECIATION COMMITTEE

The Appreciation Committee extends heartfelt appreciation to every church and each church member in our association for your support this past year. Your financial support this past year amounted to the highest amount given for the budget by the Association ever received. Each church contributed and is to be commended for this outstanding support. The Nannie Newsome Offering goal was exceeded by a large percent.

To our churches, church families, pastors and staff members, we thank you. You are the basis of our entire organization.

To Roger Moore, leader of the 3 on 3 Basketball Tournament, our heartfelt appreciation. Again this year, the seventh (7th) year of the tournament, there was strong participation.

To our many churches who volunteered to host the "Rest Stop Ministry", thank you. This ongoing ministry has proven most appreciated by our tourist family. Begun in 1998, vacationers and travelers have found a safe haven to rest, as has been witnessed in letters written to our newspaper and churches.

The Mountain State Fair Ministry in Asheville was manned for a full day by our Association. For the third year we accepted responsibility for a full day of volunteers. Thank you to those who worked.

Our deep appreciation to our Association for the fine strong support of the Hispanic Mission. Jairo Contreras, minister, is doing a great job and exhibits such a Christ-like spirit. Churches have given contributions and continue to support this mission. Adaville Church is to be commended for providing their older sanctuary for the Hispanic Mission.

This year we were able to award four Christian Character Scholarships. Two significant gifts were given which were put together as an endowment with North Carolina Baptist Foundation to support these scholarships. These outstanding gifts were most appreciated.

The Lake Lure Summer Resort Ministry continues a success. Headed this year by Rachel Wingo with the help of our churches and their youth groups, the ministry saw growth and we appreciate the dedication of those involved. Thank you, churches, for contributing to the "Kids Fun Bags".

Much appreciation to the Association for the purchase of the motel property and to the committees and their work. Many donations have been received and are greatly appreciated. Also our appreciation to those who have committed to help with the remaining debt balance.

Hurricane Floyd brought a real challenge to our state and our Association met the challenge. Doug Atchley spent his time and resources in preparing a bunkhouse for the workers to use. This provided a comfortable place of rest, much more so than the floor of a church or school. Many thanks to all who gave of time, talents and resources in recovery efforts from this major catastrophe.

To Teresa Sams, how could we make it without you? Our many thanks for your support that you give each and everyone of us. We love you.

When we think of Green River Baptist Association our first thoughts are of Billy Honeycutt and the fine person he is. Thank you for your loving guidance and support that you are always ready to give. We love you.

The Appreciation Committee makes the following motion: "that the minutes of 2000 be dedicated in memory of Mrs. Yvette Poston". Mrs. Poston is remembered as a strong leader in the Woman's Missionary Union in the Association and in her church, Chimney Rock Baptist Church. She was known for her support and work with the state WMU Prison Ministry in Raleigh. She served as Vacation Bible School Director of the Association for over ten years. Mrs. Poston went to be with the Lord in November 1999.

DIRECTOR OF MISSIONS REPORT

The Association year began with a strong call for help in the Eastern part of North Carolina as people were dealing with the devastating results of Hurricane Floyd. North Carolina Baptist Men launched a massive effort to have volunteers go to provide meals, clean houses, offer hope, share the gospel. There were teams of people from the Association that went at various times beginning in October of 1999 and going through June of 2000 to work in various areas, but most particularly in the Whiteville, N.C., Dock Association area. Mr. Doug Atchley of the Green Hill Baptist Church, purchased and renovated a construction site office trailer that was used for a place to stay for those who went to the Dock Association. This was a significant sacrifice and contribution on his part to help groups that went to work. Over $15,000 came to the Association office that was sent to help the recovery efforts. These trips are always a blessing because of the ministry that is given and the fellowship that is shared. Thanks to all who helped in this project.

Your support of the budget this year was the strongest ever as over $119,000 was contributed to the budget. Thank you for this support. During the year reminders were made that churches are challenged to consider giving 4% of their undesignated offerings to the Association.

Miss Rachel Wingo led the Resort Area Missions this summer in an effective manner. Your participation by supplying items for the fun bags and having groups to go and lead the services was appreciated.

There were 42 people that participated in the Mountain State Fair Ministry on September 12, 2000. There were many others who supported this ministry by donating salvation bracelets, hygiene kits, clothes, bears and by using the prayer guides. All of these efforts contributed to the ministry being effective once again this year.

More churches participated in the Rest Stop Ministry this year. The simple nature of this ministry continues to amaze travelers as they stop. There are many travelers who stop by each time they travel through the county. And travelers are gracious in leaving donations that are used to purchase coffee, drinks and cookies. This is not asked for, but is accepted. I appreciate Mr. Bill Roper of Mountain Creek Baptist Church for his help in opening and closing the building.

The South Rutherford Hispanic Baptist Mission had a continued year of growth and expanding ministry. They continue to reach Hispanics in our county. In August the Mission was approached by a church on Oakland Road that is planning on relocating about the possibility of purchasing their facility, completely furnished, for the Mission to use as their home facility. The Hispanic Mission Steering Committee met and steps were set in motion to acquire a loan from the Baptist State Convention as well as raising funds from various sources that will be used in purchasing the facility. Rev. Jairo Contreras is leading the Mission along with other laymen in a strong manner. We are blessed to have him at the Mission.

Your gifts to the Nannie Newsome Offering resulted in a total of over $8,100.00. This helped with the Resort Area Missions ministry as well as in the purchase of the motel property joining the office property. Thank you for this strong support of this offering.

During the year the opportunity arose for the Association to purchase the motel property that gives us ownership of one of the busiest street corners in Rutherfordton. Appreciation is expressed to the Administrative Council, the Budget Committee and the Building and Grounds Committee for guiding this process that resulted in the Association approving at a called meeting in March to purchase the property. One of the obvious questions is "What are you going to do with it?" Approval has been given to renovate a couple of rooms to use as an emergency shelter for a family in a crisis situation and to renovate three rooms to make them into a suite that churches can use for visiting ministers. The key thing to keep in mind is that the Association can do with the property what it determines to be God's leading for using it. There was a loan of $125,800 secured from BB&T and two interest free loans of $15,000 to pay for the property at the closing. At the end of September the principle amount on the bank loan was $87,892.00. The Association approved to request from the churches that 150 contributors giving $200 per year for three years beginning October 2000 and going through September 2003 be secured to pay the loan. If it is supported, this will raise $90,000 which will pay the bank loan. At the beginning of October, 34 contributors have been secured. A contributor can be an individual, a class, mission group, etc. Your urging support of this approach to paying this debt is appreciated. All money raised in this method will go toward the bank loan principle. For your continued support in eliminating this debt, thank you.

I appreciate the many ways individuals and churches are involved in the ministry and mission efforts of the Association. There are many resources that are available to our churches to assist them in their ministry and service in their communities. Call or stop by the office. Thank you for your support of your Association.

Respectfully submitted,
Rev. Billy Honeycutt

SOUTH RUTHERFORD HISPANIC BAPTIST MISSION

The South Rutherford Hispanic Baptist Mission experiences continued growth and many opportunites of ministry among the Hispanics of our county. During the year the mission saw conversions and baptisms as people committed their lives to Jesus Christ. The mission prepared a brochure on the mission that is available to give to Hispanics in the county to encourage them to attend the mission.

JULY REPORT:

During the past months we have continued to feel the presence and the power of the Lord. The leadership team is developing their discipleship skills and are leading the Sunday School class. In June leadership from the mission attended a Sunday School training event in Raleigh, NC. The women took part by attending to the Children's class and now are leading and supporting the Children's ministry. Attendance at the mission is fluctuating at this time of the year because families are traveling to their countries, but we are having new families come to the county. In June the Camp's Creek Baptist Church, south of Boiling Springs, NC, donated a van to the mission that is helping us grow and be more effective in outreach. The mission is grateful to this church for this donation. The Mexican dinner on July 15 was a successful activity for the Mission because of the support we felt of the 200 or more who attended. Donations totaled $1000 and after expenses $600 was applied toward the purchase of musical equipment needed for the worship services. Pray with us for land to build a Hispanic Mission in the county. We thank you for your prayers and support.

OCTOBER REPORT:

We continue sharing the Word and the love of God within our ministries: evangelism, visitation, Bible study, women, youth, children and worship.

Our regular attendance is: Sunday Service 65, Wednesday 40, Women 12, Youth 20, Children 15.

Also, counseling, Bible study, Sunday School, and discipleship training are basic tools for the Mission's spiritual growth. From this we are experiencing a spiritual atmosphere during our services that is helping the believers become closer to God with more confidence. We had four baptisms and four decisions last month. The congregation visited and prayed that the Lord would bless the Mission to continue in the harvest. We appreciate your donations and prayers for us as we are seeking to secure a facility that will be our own place of Worship.

CHRISTIAN CHARACTER SCHOLARSHIP FUND REPORT

The Christian Character Scholarship Committee is appreciative of the financial support for granting scholarships in the summer of 2000. During the year from a gift of stock, transfer of money from the Youth Ministry Fund and a significant gift from a church, a trust account was established with the North Carolina Baptist Foundation for generating funds for scholarships. Scholarships were awarded this summer to four students. Josh Calvart and Tracie Ford, Green Hill Baptist Church, Jeremy Adams, FBC, Forest City, and Lacey Hodge, West Point Baptist Church, were the recipients. The goal of the committee is to have at least 100 people make a $25.00 contribution once a year to this project. It is

encouraging to see students make applications for this scholarship because of the Christian character they have demonstrated in their personal lives. This is a one time scholarship given to recognize the Christian character that students have exemplified during their high school years and to help them begin their college years. Thank you for your support of this fund and for encouraging others in your church to participate.

VACATION BIBLE SCHOOL

What an impact!!...VBS has made the difference in so many lives. Thanks to all of you who had a part in sharing the Gospel through Vacation Bible School this year. Because of your willingness to serve, lives are eternally changed through this ministry. From the 11 churches who reported, there were 21 who came to know Jesus as their personal Savior this summer. There was a total of 1,032 students enrolled with an average attendance of 921.

RESORT AREA MISSIONS

Worship services were conducted in four campgrounds and at one motel in the Chimney Rock/Lake Lure resort area this summer. Hundreds of "Kids Fun Bags" were distributed in the campgrounds and in the Chimney Rock village that were gladly received by children. The items for the bags were provided by churches of the Association and that is appreciated.

This summer Miss Rachel Wingo, student at Mars Hill College and a member of West Point Baptist Church, led the ministry along with youth groups from many of the churches. This participation by the churches shows youth how they can be involved in missions and may plant a thought in the minds of some to consider leading this ministry when they get older. Rachel did an excellent job of organizing and led the ministry with enthusiasm.

Your church's contribution to the N.C. Missions Offering in the fall of 1999 helped with financing this ministry as about 9% of the total from all churches of the Association was returned to the Association. Thank you for the many ways you supported this ministry.

Respectfully submitted,
Rev. Billy Honeycutt

INSTITUTIONAL REPORTS

ANNUITY BOARD

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance programs, and church/clergy tax issues. During this past year numorous conferences, consultations, etc. were conducted to service our churches and church employees related to these issues. Education continues to be a number one priority since so many people do not participate in the plans simply because they are not aware of the great benefits.

On January1, 2000, the Annuity Board began offering The Ministers' Annuity Plan. This new product is particularly designed for the minister who has self-employment income from performing services (i.e. weddings, funerals, revivals, writing) as a Southern Baptist minister, and others who may not qualify for one of the other Annuity Board retirement

plans. Eligibility can be determined by contacting the Annuity Board's customer service area.

The Southern Baptist Convention in annual session in June, 2000, approved changes to the Annuity Board's Mission Statement and two new Ministry Assignments. The changes will now allow the Annuity Board to offer personal investing for Southern Baptist ministers and denominational employees and their spouses, and to assist churches and denominational entities by making available institutional investment services through cooperative agreements with state Baptist foundations.

As of May 31, 2000, there were 4,561 active participants in the annuity retirement plan from 61% of our North Carolina churches. The money contributed by individuals, churches, and the matching contributions from the state convention is invested according to the individual participant's financial goals and risk tolerance with the overall aim to help participants ensure their security in old age. The number of persons in North Carolina receiving retirement benefits totals 2,807 with another 368 assisted through the Adopt An Annuitant and Relief ministries. Funds for supplemental assistance are provided from the Cooperative Program, the Retired Ministers' Support Fund, and the Adopt An Annuitant plan.

For more information related to Annuity Board products and services, call the Baptist State Convention at 1-800-395-5102 extension 174 or call the Annuity Board at 1-800-262-0511 or visit the Annuity Board Web site at www.absbc.org.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

P.O. Box 338, Thomasville, NC 27361-0338
Telephone: (336) 474-1200 Web: www.bchfamily.org

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything - relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission...the millennium...the ministry, was BCHís theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures. Children like

Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her, too.

The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they a found a staff willing to embrace their family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make-much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. "Quality Service Through Quality Relationships" was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. "The Family Gathering" was held at Mills

Home where BCH began in 1885. This is the first time all the Baptist Children's homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 pm. We encourage you to be a part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: "Helping hurting children...healing broken families."

North Carolina's "largest family" is grateful to North Carolina Baptists for prayers and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

BAPTIST HOSPITALS OF NORTH CAROLINA
Meeting Challenges of Health Care

HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Bapitst Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina.

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Departmentís fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. BIBLICAL RECORDER

Since 1833, the Biblical Recorder has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the Biblical Recorder was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The Biblical Recorder promotes God's kingdom work in accordance with its mission statement: "Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."

As an agency belonging to all North Carolina Baptists, the Biblical Recorder provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The Recorder also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the Biblical Recorder maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The Biblical Recorder works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the Recorder for just pennies per issue. The Biblical Recorder has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001. Currently, the annual rates (including tax) are:

Every Home Plan (20%+ of church families, paid through the church budget) — $7.42

Club Plan (4 or more persons in a church subscribe together) — $8.48

Individual Subscription — $10.60

Subscription packets and free sample issues are available. For more information, please contact:

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Baptist State Convention of North Carolina

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptists students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, "I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them."

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

WINGATE

"The Wingate School is much concerned for the spiritual development of every student. We believe this to be the goal toward which all education should be directed. No matter what intellectual endowment a student may possess, nor how well trained he may be, unless he has spiritual training, he does not add any permanent asset to the world's good."

The millennial celebration brought renewed energy to Wingate University, which has been providing quality education within a spiritual context for over 100 years to North Carolina Baptist children. With a growing student body, considerable capital expansion on campus and the ever-changing dynamics of classroom curriculum, Wingate is at the forefront of progress. Its mission, however, remains the same, and its commitment to the Christian values set forth by its Baptist founders in 1896 has never been more evident.

One of the most active student organizations on campus, the Christian Student Union, involves students in dynamic discussions, youth ministry, mission work and community outreach. Attendance at the Thursday evening meetings this year averaged 85 students. Under the direction of Campus Minister Rev. Paul Baxley, CSU made a great impact on campus by hosting weekly Bible study groups, leading youth retreats and lock-ins through its revival teams ministry, and sponsoring mission trips throughout the year.

More students than ever before participated in mission trips this year. Nearly 40 students spent their Spring Break in Brunswick County, N.C., helping rebuild that community after Hurricane Floyd. In addition to disaster recovery work, the students led nightly worship services and ministries for children in partnership with Calvary Baptist Church in Shallotte and the Baptist Men's Disaster Relief Team of Brunswick County.

The Wingate campus community was enriched this year through a program of spiritual events which included lectures from prominent Christian leaders on significant academic, ethical and religious topics. Guest speakers this year included Dr. Michael Beaty, professor of philosophy at Baylor University and director of the Baylor Institute for Faith and Learning, Wingate: A Christian University; Dr. Ron Sider, founder and president of Evangelicals for Social Action, From Affluence to Generosity; David Beckman, president of Bread for the World, Ending Hunger in God's World; Bart Campolo, president of Mission Year, Kingdomworks: Letting God's Will Be Done on Earth; C.F. McDowell III (é85 alumnus), vice president of special ministries for the Baptist Children's Home of North Carolina, The Right Place; and Michael Cummings, president of Baptist State Convention of North Carolina, A Life Worth the Effort. Other significant events included Wingate's annual

Gospel Music Festival, Black History Month Service, and Mahalia, a gospel musical about the life of Mahalia Jackson.

Wingate's fall Interpretation of Scripture Conference, which brings pastors and lay people from North and South Carolina together to examine Godís word, focused this year on I Thessalonians. The conference was led by Dr. James Efird of Duke Divinity School and Dr. Richard Kremer of St. John's Baptist Church. In the spring, Rev. Emil D. E. Sam-Peale, executive director of the Baptist Convention of Liberia, led the Spring Missions Conference on the Wingate campus.

Service to God and neighbor is fundamental to a Wingate education. Students continued to be energized about outreach and involved in meaningful activities. Wingate Works and the University and Community Assistance Network (UCAN) had students volunteering in their local community throughout the year. Wingate athletes were actively involved in mentoring and tutoring Wingate Elementary school children through the Bulldog Buddies program. And Bulldogs Reaching Out had student-athletes talking with youth about the importance of education and hosting special sports clinics.

Wingate facilities, including the newly-constructed George A. Batte Jr. Fine Arts Center, were used extensively by Baptist organizations throughout the state. In Union County and surrounding areas, Wingate's cultural assets were a source of education and entertainment for both adults and children. An estimated 30,000, including many Baptist groups, attended these events on the University campus.

Also of significance this year was Rev. Keithen Tucker's work to enhance relationships between Wingate and Baptist churches across the state. As director of church relations, he attended more than 20 association meetings and met individually with scores of pastors and ministers to share the good news of the University and to confirm Wingate's commitment to serving the needs of Baptist youth across the state.

HISTORY OF THE CHURCHES IN THE GREEN RIVER BAPTIST ASSOCIATION

October 1, 1999-September 30, 2000

God, our Author and Creator, in whose life we find our own, make our daily witness greater, by our lives make Your love known. Keep us faithful, Holy Spirit, help us bare the message true, that at last all lands may hear it, God is love; Christ died for you.

I keep using the word *"amazing"* in my comments from time to time. It still "fits the bill" when we are expressing our thankfulness to God for all the wonderful ministries and activities that He has led us through this past year through the churches and the Association. Terry White, moved from being bi-vocational to a full time position as pastor. Members of the church attended the Spring Revival at Isothermal College. The speaker was Rev. Len Turner. In April, 2000 the church installed a new sound system. Jo Taylor died May 14, 2000. Vacation Bible School was held June 4-8, 2000. An air conditioner was placed in the Pastor's study in August, 2000. A computer was given to the church to be placed in the Pastor's Study September, 2000 in Honor of Clyde and Grace Nodine.

Forest City First — Dr. Barry Keys was called this year as pastor. He and his wife, Amber, have two children. They moved to Forest City in

late December 1999. January 9, 2000 marked his first worship service with an installation. Dr. Keys came to GRBA from Summerville, S.C.

First Baptist Church, Forest City, was organized in 1848 for the purpose of advancing and promoting the worship of God through study of the Bible, preaching the Gospel of Jesus, gathering together for worship and fellowship, and educating and equipping each member for effective witnessing. This is a chronicle of those ministries, community events, and mission efforts designed to accomplish our purpose.

Children's ministries focus on Sunday School and ecumenical events. On May 28, the children participated in a Bible Drill. The entire congregation (especially the youth) got involved with the annual Fall Festival on Oct. 21, and on Dec. 15 the Children's Ministry Team presented a Christmas program at our annual Christmas Banquet. The children also participated, along with youngsters from First Presbyterian Church and First United Methodist Church, in a Vacation Bible School entitled "Build a Holy Place, B.C. 1440" (June 26-30).

Our youth presented the musical I.M.A.G.E. on Jan. 23, and for Super Bowl Sunday they collected donations for the soup kitchen. On Feb. 6 and 13 they participated in a program entitled "True Love Waits." From March 3-5 the youth spent the weekend in Gatlinburg, TN — just for fun. During the summer they stayed busy, starting with a cookout (May 28) and then outings to Carowinds (June 13), whitewater rafting (July 13), and a back-to-school party (Aug. 26). Many of the youth worked at Camp Harmony (June 12-23) and participated in the Live Nativity (Dec. 18,19). Graduating high school seniors were feted at a banquet on May 18 and a special worship service on May 21.

Our Senior Adults organized blood drives on Jan. 31 and Aug. 24 and made a number of trips, including to Country Earlís (Mar. 10), Daniel Stowe Botanical Gardens (May 16), and Ryanís (July 14). The Living Longer and Like It (LLL) Group of seniors met every month and enjoyed speakers, entertainment, a craft show, and a covered-dish lunch. Of special note is the "Great Generation" worship service on May 7 in which seniors born before 1925 were honored.

The Music Ministry is well supported at FBC, with a full graded choir program from 6 months to senior adults. The year began with a recital by Forest City's own David Mellnik, accompanied by Music Associate Diane Nelson (Oct. 17). At Christmas we combined with the choirs of First Presbyterian Church and First United Methodist Church for the annual Advent Carol Concert (Nov. 28), which was taped and broadcast over local cable Channel 6. The new year, 2000, was a year of festivals: Youth Handbell Choir (Jan. 18-19), Adult Handbell Choir (Jan. 25-26), and Youth Choir (Mar. 17-18). We hosted the Gardner-Webb University Concert Choir on Apr. 2. The regular season ended with a joint program of Youth Choir, Youth Handbells, and Adult Handbells in concert at Salem United Methodist Church, Bostic (May 7). During the summer many youth participated in music week at Camp Caswell (July 3-8).

As a church fellowship, we enjoyed a number of annual events, including the Fall Festival (Oct. 31), Thanksgiving Banquet (Nov. 24), Hanging of the Greens and caroling to shut-ins (Dec. 5), Christmas Banquet (Dec. 15), and Christmas Eve service. There were Cottage Prayer Meetings (Mar. 26) and a holiday picnic (July 2). We also had opportunities for community worship, including the Forest City Ministerial Association Thanksgiving Service in downtown Forest City on Nov. 23 and the Community Communion Service at First Wesleyan Church on Mar. 12. Together with First Presbyterian Church and First United Methodist Church, we participated in pre-Easter services on Apr. 19,20, and 21. The Live Nativity and ecumenical VBS have already been mentioned.

Mission work is important to our church. Our WMU meets monthly, and the Brotherhood meets quarterly to participate in various mission-related activities. From Mar. 4-12, Olive Lin went on a mission trip to Honduras, along with a group from Gardner-Webb University. The Friendship Club, an after-school tutoring program, began operation this school year, and a low-impact exercise class was also started for the community. The Parish Nurse program has become an integral part of our ministry to the community. Of special note is the organization of a new group, "Women on Mission" (Aug. 17).

Gilkey — Philip E. Murray was ordained by the church and began his ministry as their Minister of Evangelism and Outreach on August 27, 2000.

Green Hill — Many people from our congregation were involved in mission adventures this year. Some of the projects were as follows: Wiring a new church building in Bakersville, NC; working at the Christmas Cheer Center in Forest City; ringing the bell for the Salvation Army; Hurricane Floyd relief in the Eastern part of North Carolina; collected Teddy Bears for the Josh McDowell "Operation Carelift" ministry; and other mission projects on a monthly basis. We adopted a new long range plan that is called "Visions II" which will give us direction through the year 2005. The church started building their Family Life Center with a completion date of late 2000. The church met and surpassed their budget for 1999/2000 which was the largest budget in the history of the church. Added two new Sunday School classes for the 2000/01 church year and ended the church year with an average Sunday School attendance of 111 for the month of September.

Church held a Volunteer Fire Department Appreciation Service on May 7th at 11am worship service. Memorial Day services were held on May 14, 2000. Skin Cancer Screening was held on May 20, 2000, 10 am until noon, sponsored by Rutherford Hospital. Vacation Bible School was held June 4 through 8, 2000 6:30 - 9 pm for preschool through adults.

Long Branch — On the second Sunday in July, 2000, the church celebrated its twenty-fifth anniversary. The first pastor, Rev. Charles Penley was guest speaker. A note burning was a part of the activities of the day declaring the church debt free.

Main Street — Additional interior updating has been completed in the building, and minor renovations have also been made in the Sunday School area. There has been more landscaping done on the grounds. A highly successful VBS was held in late August 2000 with great attendance. Many children from the neighborhood - who were not members of the church were in attendance.

Montford Cove — A G.A. Coronation Service was held. Twenty-nine men and an offering went on two different trips to N.C. coast to assist Hurricane Floyd victims. Forty-six people assisted in all day wood cutting for the elderly. Rev. Bobby Gettys was extended a call as pastor. His work began in April 2000. Purchased an ice machine for the Fellowship Hall. Columns were replaced in front of church. A new PA system, cassette and CD recorder, and new mikes were purchased. Rev. Mike Ivey resigned as Youth Minister in June 2000. Rev. Ivey had served since February 1999. Three ladies from the church assisted in Prison Retreat at Camp Mundo Vista.

Mount Vernon — The church called Greg Hathaway as Minister of Youth, a student at the Divinity School at Gardner-Webb University. A special service was held on March 12 with testimony and fellowship and Harpist Greg Buchanan. In May of this year, David and Mary Lois Geer embarked on a foreign mission trip on the River Boat of Hope III. This was Mary Loisí third trip to the Ukraine, David's first. By the end of this trip the Geer's both committed to fulltime missionary work. As soon as they arrived home they contacted the International Mission Board and began the process of becoming foreign missionaries through the Masters Program. They are still waiting and praying, however, they feel they are very close to being assigned to the mission field. Mount Vernon is very proud of David and Mary Lois and commend them for their dedication in following God's will for their lives.

"Everybody's Prayer Altar" has been established above our cemetery near the Rev. R. L. Crawford Memorial Prayer Garden. This altar is for all who would like to place a rock as they pray (much as Rev. Crawford did) with thanks for blessings, asking the Lord's guidance, praying for loved ones, praying in good times and bad times, or just listening for God in the beauty of this quiet place.

A group of men from Mount Vernon, led by Mr. Ernest Logan, have spent many hours cleaning and restoring the Old Hill Cemetery located near our church. Some headstones still bear family names, however, many are just marked with fieldstones. Stones at the head and foot of

each grave found have been placed to preserve the sites. More than 450 graves have been found and it is believed that there may be many more. Oral recollections tell us that this was a common burial ground dating back to the early 1800ís or earlier, and it was considered a holy place, or a high place. Some Indians may be buried there. Masters were laid to rest along with their slaves, as well as, people from the community.

This common burying ground is a special place and the majority of the people are known only to God. They are precious in His sight and as the wind blows through the trees, He whispers their names.

Mountain Creek — The church has provided one meal per month to the Grace of God Mission. Several have kept the Rest Stop Ministry going. Two members went to the Mountain State Fair to work. The church collected a sum of $71.00 in change for the Church of the Exceptional. The church surpassed their Lottie Moon and Annie Armstrong goals. Twenty-four youth and adults went to West Virginia on a mission trip. They helped to make picnic tables, clean an elderly lady's house and many other jobs. The WMU ladies made 25 teddy bears for the Mountain State Fair. Members turned in 31 shoe boxes for overseas children, made tray favors for the rest homes, and conducted several bake sales. The Happy Hands sponsored a Health Fair with good success.

Mountain View (Polk) — The church celebrated "Ole Timer's Day" on Sunday, October 3, 1999. Homecoming was Sunday, May 21, 2000. Church also observed the Pastor's birthday with a dinner at the church on Sunday, September 10, 2000.

Mountain View (Rfd.) — This year has been a year of remodeling the church. New vinyl sofet was added to the outside of the church, also ceiling was painted on front porch, outdoor carpet put on front porch along with the ramp to side door. A new ceiling fan, new lights, a new coat of paint, a new mural painted for the baptistry along with lattice work over the baptistry, air conditioning/heat pump and a new PA system. In the Fellowship Hall both bathrooms were remodeled. Two ceiling fans were given for the nursery and they have been installed. Also a dorm refrigerator and microwave was given to the nursery and they have been installed. This year four persons were added to the kingdom of God and church is praying for even more in the coming year.

Mountains Community — Church started a children's church ages 4-8. Initiated a building fund campaign. Formed a building committee to research the type of facility we could build and to meet with contractors to determine that cost factor. Held a second Bible School with enrollment of 40 with an average attendance of 34.

Oak Ridge — Vinyl siding was put on the overhang of the church building, also on the parsonage. The windows were also done in vinyl siding.

Oak Springs — Installed gas logs in parsonage for back-up heat.

Piedmont — Rev. James Cathey, who had been pastor of Piedmont for 15 1/2 yrs., retired on June 4, 2000 to begin a campground ministry along with his wife, Delores. The church combined their W.M.U. and the Brotherhood organizations and formed The Piedmont Mission Organization in order to be more effective in a mission ministry to the community and the world. The church is praying and looking forward to a new ministry and a new pastor. The church is praying that the name of Jesus will be glorified and souls will be won for the Kingdom of God, through the ministry of whom ever God sends to lead them.

Piney Knob — During this year 1999-2000 the Rev. Greg Green became the new pastor. He and his wife, Bobby, have two daughters. This has been a busy, prosperous year for Piney Knob. Senior adults had a good year, growing in members, gaining from 15-27. Including a trip to the mountains to see Christmas lights, they had several meals, prayers and devotions together. The Young Adult's Sunday School Class adopted a little boy from Africa through World Missions. They send money each month for his support. A church-wide ministry began to host a birthday party every two months for the White Oak Nursing Home. A new church directory was made. The church's oldest member, Mr. C.B. Hardin, born in 1899, lived through the entire century and died in January 2000. The "Secret Sisters" projects for the year were purchasing a Manger Scene for the outside front of the church, Rest Home Ministry, flowers to honor new born babies, Easter Egg Hunt, held a fund raiser breakfast and sold flavoring and knives. The youth activities included snow skiing, ice skating, rafting, "Kids Day Out" on Wednesday during the summer. Parents night out one Friday night a month. Enrollment went from 7 to 24. Several improvements were made to the church building and Fellowship Hall. The Sunday School Dept. was painted, a wall taken out to enlarge the Pastor's Study, hallway was added to the ladies restrooms, old windows were replaced, oil furnaces were replaced with new gas ones. The Fellowship Hall was rewired, new carpet put on the porch, and new chairs purchased. A new drainage line, and catch basin was installed. New guttering and vinyl siding was added to the church building. The membership is looking forward to another new year growing spiritually and closer to Christ and each other. The church was led in revival services on September 10-13, 2000 by Dr. Dewey Thomas.

Pleasant Grove — A greeting room has been furnished by Estelle Elliott in memory of her late husband, Mr. Frank Elliott. A new room has been

set up and decorated to be known as "The History Room". In December 1999, Youth rooms were enlarged to accommodate expanding classes. New hymnals were given to the church in memory of Ruby Day and Bud and Toni Boone. A new sound system was given in memory of Bud & Toni Boone. In May 2000, lightning struck the church building resulting in damage to the organ and sound equipment, a total of $10,000.00.

Pleasant Hill — The church continued to broadcast the worship service from the previous Sunday on Radio Station WWOL at 9:30 am each Sunday. Bill Wilkins and Chris Long were elected deacons and an ordination service was held on October 17 with Rev. James Sessions delivering the charge. The youth enjoyed many activities during the year, including a fall festival at the Urban's farm, trips to the Christmas and Easter Programs at First Baptist North Spartanburg, a white water rafting trip, fishing at the Bradley's pond, etc. R.A.'s and G.A.'s attended camp at South Mountain Baptist Camp, and the R.A.'s attended Church Day at Wake Forest. Sulphur Springs — Sulphur Springs celebrated their 90th anniversary as a church in this year. The church was founded and established 1910. We are looking forward to celebrating the Centennial Anniversary in 2010. In March, the church called Rev. Steve Levinson as Youth and Childrenís Pastor. Rev. Levinson, wife, Karen, and their four children came to us from Illinois. As a mission minded church, we have not only raised money for missions but also supported missions by going. When Hurricane Floyd struck the eastern coast of North Carolina, Baptist Men responded to the need and the church sent out workers to be involved both in Goldsboro and Crusoe Island with the Dock Association. When the ice storm struck the Charlotte area, we were able to send out a group of men and youth to help with the clean up. This past year in our missions offering we have not only met all our mission goals but exceeded them. For Lottie Moon Christmas Offering for Foreign Missions we held an all-you-can-eat BBQ dinner which raised over twelve hundred dollars toward our mission's goal. We also had meals for our Home Missions and State Missions which allowed us to exceed our goals. We hope in the future as a church to be more mission minded both in our giving and our going. "And the Lord said, Whom shall I send and who will go for us?" And our church has responded "Here are we, ready to do - ready to go."

West Memorial — Experiencing Success In The New Year. 1999-2000 Theme: "Learning to Suffer That Others May Live"

Our new church year started off with our first quarterly theme, "Becoming a Church of Scripture." This involved more than merely reading the Scriptures, but knowing how it applies to us as a church; learning facts, practicing faith, and following the command. Through this foundation of Scripture we learned what it is to suffer that others may live, by means of sacrifice, supplication, and extended support.

West Memorial launched the new Watchcare program which is designed to help build and maintain meaningful relationships within the church family. The Awanaís program, led by Joyce Wilson, was also started as a Wednesday night program designed to help children ages 3 and up learn the Scriptures. It is an intensive program with rewards and benefits to help encourage them along the way. Ample opportunities for enhancing leadership skills within the church were

offered; among these were the Lay Ministerís Conference with speaker John Maxwell, the Equipping Your Team for Ministry series, and the Awanaís training program with Missionaries Mildred and Al Schlosser. The men of the church attended Promise Keepers and were encouraged and strengthened; the women, as well, attended uplifting and encouraging conferences such as Women of Faith, and the yearly conference in Pigeon Forge.

The Children's Ministry was very much alive this past year with the new Awana program, an awesome Holy Word Studios VBS, Zoo trips, camping trips, hayrides, and many other activities that kept the children excited all year long.

Our Youth Ministry has had a busy year, as well, with their weekly C.O.R.E. crazy meetings, special outings, concerts, and trips. Some very special events included a visit from special speaker Tully Blanchard (former wrestler), and Christian magician Matt Fore to our Sunday Night Live programs. We welcomed our new Youth Pastor, Chad Ivester, and his wife Tina to our WMC team, who continue to be a blessing to our youth and our church. With much help from their new youth minister, the youth filmed their own "Jesus" video entitled "The Last Supper" and had several showings at the church. It was a lot of hard work but a great success! Over 30 youth were saved and baptized over the year and a core youth group has been formed at WMC.

The music ministry of WMC, led by Terry Wilson, has also been an area of excitement and growth as the year unfolded. Many new songs were written and included in the praise team's very first CD which came and had several showings at the church. It was a lot of hard work but a great success! Over 30 youth were saved and baptized over the year and a core youth group has been formed at WMC.

The music ministry of WMC, led by Terry Wilson, has also been an area of excitement and growth as the year unfolded. Many new songs were written and included in the praise team's very first CD which came out around May. The team has been invited to perform several times over the past year, including the S.C. Peach Festival's "Peach Reach", Legal Grounds, The Spring Thing, and South Mountain Christian Youth Camp.

Other changes and updates this past year include the erecting of WMC's new sign with the church's logo on it, the parsonage basement is in the process of being turned into a youth facility, murals were painted on the walls of the nursery and the nursery was updated and remodeled, a nursing room for mothers was added in the back of the church, stage lights were installed in the sanctuary, and trees behind the church were removed to make room for future additions (such as a picnic shelter).

It has been a tough year as we learned what it is to suffer that others might live, but not a year without blessings and reward. It has been exciting to see lives changed as we experienced Success in the New Year.
